

## Will concentrate on just home cleaning segment for next five years: TTK Prestige

### TTK Prestige

Consumer products company TTK Prestige has launched India's first electric domestic mop in a bid to strengthen its clean home category which currently contributes 10 percent to the growth in FY17. CNBC-TV18's Rukmini Rao caught up with the Chairman of the company TTK Jagannathan and asked him more about the company's plans.

Consumer products company TTK Prestige has launched India's first electric domestic mop in a bid to strengthen its clean home category which currently contributes 10 percent to the growth in FY17.

CNBC-TV18's Rukmini Rao caught up with the Chairman of the company TTK Jagannathan and asked him more about the company's plans.

For the next five years, in home segment we will concentrate only on cleaning, he said.
