NOTES:

1. This AGM is convened through Video Conferencing ("VC") / Other Audio-Visual Means ("OAVM") pursuant to General Circular numbers 14/2020, 17/2020 and 20/2020, dated 08.04.2020, 13.04.2020 and 05.05.2020 respectively, issued by the Ministry of Corporate Affairs (MCA) and Circular number SEBI/ HO/CFD/CMD1/CIR/P/2020/79 dated 12.05.2020 issued by the Securities and Exchange Board of India (SEBI) (hereinafter collectively referred to as 'Circulars'), which allow the companies to hold AGMs through VC/OAVM considering the present COVID-19 pandemic.
2. In compliance with the aforesaid Circulars, this AGM Notice along with the Annual Report for the year 2019-20 is sent only through electronic mode to those Members whose E-mail addresses are registered with the Company / Depositories. The AGM notice and Annual Report of the Company are made available on the Company's website at www.ttkprestige.com and also on the website of the Stock Exchanges where the shares of the Company have been listed viz., BSE Limited - www.bseindia.com and National Stock Exchange of India Limited - www.nseindia.com. The Company has published a Public Notice by way of advertisement in Tamil Language, the principal vernacular language of Tamilnadu and in English language in an English newspaper with the required details of 64th AGM, for information of the Members.
3. The Company has availed the services of KFin Technologies Private Limited, (KFintech) Registrar and Transfer Agent of the Company, as the authorised agency for conducting of the AGM through VC/OAVM and providing e-voting facility.
4. Though a member entitled to attend and vote at the meeting, is entitled to appoint one or more proxies (proxy need not be a member of the company) to attend and vote instead of himself / herself, the facility of appointment of proxies is not available as this AGM is convened through VC/OAVM pursuant to the Circulars.
5. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
6. In case of joint holders only such joint holder who is higher in the order of names will be entitled to vote during the meeting.
7. The statement pursuant to Section 102 of the Companies Act, 2013, setting out the material facts concerning special business at Item No.4 is annexed hereto.

8. The Register of Members and the Share Transfer Books of the Company will remain closed on August 15, 2020 for the purpose of AGM and payment of dividend.
9. The dividend, as recommended by the Board of Directors of the Company, if declared at the Annual General Meeting, will be paid on and from August 31, 2020, to those Members whose names stand registered on the Company's Register of Members:
 - a) as Beneficial Owners as at the end of business hours on Friday, August 14, 2020 as per the list to be furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) in respect of shares held in dematerialized form.
 - b) as Members in the Register of Members of the Company after giving effect to valid share transfers lodged with the Company, on or before Friday, August 14, 2020.
10. Members are requested to note that dividends not encashed or remaining unclaimed for a period of 7 (seven) years from the date of transfer to the Company's Unpaid Dividend Account, shall be transferred, under Section 124 of the Companies Act, 2013, to the Investor Education and Protection Fund ("IEPF"), established under Section 125 of the Companies Act, 2013. Further, pursuant to the provisions of Section 124 of the Act and IEPF Rules, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs.

The Members / claimants whose shares, unclaimed dividend, sale proceeds of fractional shares etc. have been transferred to IEPF may claim the shares or apply for refund by making an application to IEPF Authority in Form IEPF 5 (available on www.iepf.gov.in) along with requisite fee as decided by it from time to time. The Member / claimant can file only one consolidated claim in a financial year as per the IEPF Rules.

It is in the Member's interest to claim any un-encashed dividends and for future, opt for Electronic Clearing Service, so that dividends paid by the Company are credited to the Member's account on time.

11. Members who have not yet encashed the dividend warrant(s) from the financial year ended March 31, 2013 (as detailed below) onwards (as detailed below) are requested to forward their claims to the Company's Registrar and Share Transfer Agents. It may be noted that once the unclaimed dividend is transferred to IEPF as above, no claim shall rest with the Company in respect of such amount.

Financial Year Ended	Due Date of Transfer
31 st March, 2013	19.08.2020
31 st March, 2014	25.09.2021
31 st March, 2015	27.08.2022
31 st March, 2016 - Interim	16.04.2023
31 st March, 2017 - Interim	29.05.2024
31 st March, 2017 – Final	15.09.2024
31 st March, 2018	29.08.2025
31 st March 2019	16.09.2026

It may also be noted that the unclaimed dividend amounts which were lying with the Company up to the year ended on March 31, 2012, have been transferred to IEPF. The details of the unclaimed dividends are available on the Company's website at www.ttkprestige.com and Ministry of Corporate Affairs at www.mca.gov.in. Members are requested to contact KFin Technologies Private Limited (KFintech), Unit: TTK Prestige Limited, Selenium Tower B, Plot 31-32, Financial District, Nanakramguda, Gachibowli, Serilingampally Mandal, Hyderabad – 500 032, Telangana, the Registrar and Share Transfer Agents of the Company, to claim the unclaimed / unpaid dividends.

12. Members are requested to intimate, indicating their folio number, the changes, if any, in their registered address, either to the Company's Registrar and Share Transfer Agents at the address mentioned above or to their respective Depository Participant ("DP") in case the shares are held in dematerialized form.
13. Members are requested to note that, in order to avoid any loss/ interception in postal transit and also to get prompt credit of dividend through National Electronic Clearing Service (NECS) / Electronic Clearing Service (ECS) they should submit their NECS / ECS details to the Company's Registrar and Share Transfer Agents.

The requisite NECS /ECS application form can be obtained from the Company's Registrar and Share Transfer Agents. Alternatively, Members may provide details of their bank account quoting their folio numbers, to the Company's Registrar and Share Transfer Agents to enable them to print such details on the dividend warrants.

14. As a part of the green initiatives, the Members who have not yet registered their E-mail addresses are requested to register their E-mail addresses with their DPs in case the shares are held by them in electronic form and with KFintech in case the shares are held by them in physical form. Upon such Registration, all communication from the Company/RTA will be sent to the registered E-mail address.

15. As required by Regulation 36 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations) and Secretarial Standard-2 on General Meetings issued by the Institute of Company Secretaries of India, the relevant details of all Directors seeking appointment or re-appointment at this Annual General Meeting are given in the annexure to the Notice of the Annual General Meeting.
16. As per the provisions of Section 72 of the Act and Rule 19(1) of the Companies (Share Capital and Debentures) Rules, 2014, Members holding shares in physical form may file nomination in the prescribed Form SH-13 with the Company's Registrar and Share Transfer Agents. In respect of shares held in demat form, the nomination form may be filed with the respective DP.
17. As per Regulation 40 of SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialized form with effect from April 1, 2019, except in case of request received for transmission or transposition of securities. Hence, the Members holding shares in physical form are requested to consider converting their holdings in the dematerialized form. The Members who are desirous to convert their physical holdings into dematerialized form, may contact the Depository Participant of their choice.
18. Effective April 1, 2020, dividend income will be taxable in the hands of shareholders. Hence the Company is required to deduct tax at source [TDS] from the amount of dividend paid to shareholders at the prescribed rates. A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by email to einward.ris@kfintech.com on or before August 14, 2020. Further no tax shall be deducted on the dividend payable to a resident individual shareholders if the total amount of dividend to be received from the Company during the Financial Year 2020-21 does not exceed ₹5,000/-. Shareholders may note that in case PAN is not updated with the Depository Participant/Register of the Company, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial tax rates under Double Tax Avoidance Agreement [DTAA] i.e. tax treaty between India and their country of residence. Non-resident shareholders are required to provide details on applicability of beneficial tax rates and provide following documents:

- Copy of PAN card copy, if any, allotted by Indian Income Tax Authorities duly self-attested by the member

- Copy of Tax Residency Certificate [TRC] for the FY2020-21 obtained from the revenue authorities of country of tax residence duly attested by the member
- Self-Declaration in Form 10-F
- No-PE [permanent establishment] certificate
- Self-Declaration of beneficial ownership by the non-resident shareholder
- Lower withholding Tax certificate, if any, obtained from the Indian Tax Authorities

The members/shareholders are required to provide above documents/declarations by sending an E-mail to einward.ris@kfintech.com on or before August 14, 2020. The aforesaid documents are subject to verification by the Company and in case of ambiguity, the Company reserves its right to deduct the TDS as per the rates mentioned in the Income Tax Act, 1961.

In case of Foreign Institutional Investors / Foreign Portfolio Investors tax will be deducted under Section 196D of the Income Tax Act @20% plus applicable Surcharge and Cess.

19. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. August 21, 2020. Members seeking to inspect such documents can send an email to investorhelp@ttkprestige.com.
20. Updation of Members' details: The format of the Register of Members prescribed by the Ministry of Corporate Affairs under the Companies Act, 2013 requires the Company/Registrars and Share Transfer Agents to record additional details of Members, including their PAN details, E-mail address, bank details for payment of dividend, etc. Members holding shares in physical form are requested to furnish the above details to the Company or KFintech, its Registrars and Share Transfer Agents. Members holding shares in electronic form are requested to furnish the details to their respective DP. REVIEW OF PERFORMANCE

- While the overall economic conditions remained sluggish throughout the year, the situation was seriously compounded by the Covid pandemic towards the end of the year that had an impact on the growth of the economy in general and your Company in particular.
- For the 9 months ended 31st December 2019, due to high base effect of FY 19 in the rural channel and modern brick & mortar trade channel, your Company registered a marginal growth in sales. The rural base was affected because of rural stress as well as non-availability of credit from micro-finance channels on account of NBFC crisis. In both these channels a large portion of sales came from a few buyers who were impacted by different sets of factors both internal and external.
- Your company developed several new buyers and broadened its customer base in these channels and started seeing double digit growth from February 2020 till mid-March 2020. All channels and all geographies exhibited strong recovery during this period. Thereafter the lockdown brought all sales to a halt till first week of May 2020. Export orders could not be delivered

and had to be deferred. The estimated loss of sales on account of lockdown for the last quarter was of the order ₹ 70 crores.

- Your company launched an innovative and revolutionary range of Pressure Cookers under the Svachh platform during the second half of FY 20. This range has received wide acceptance from all markets.
- Given the above back drop, your Company's performance for the year with a Net sales of ₹ 1937 crores (a drop of 1.6% from ₹ 1968 crores of the previous year) is considered commendable. Domestic sales accounted for ₹ 1895 crores (PY ₹ 1917 crores) while export sales accounted for ₹ 42 crores (PY ₹ 51 crores).
- In spite of severe constraints, as explained above, the EBITDA remained healthy at ₹ 286 Crores (PY ₹ 311 Crores) and Profit before tax at ₹ 248 crores (PY ₹ 284 crores). On account of expansion (and introduction of Ind AS 116) the depreciation charge was higher at ₹ 34.6 crores (PY ₹ 26 crores).
- The net profit after tax was higher at ₹ 198.51 Crores (PY ₹ 190.31 Crores). The standalone EPS was ₹ 143.21 (PY ₹ 137.30) a growth of 4%. EPS for both the years has been calculated after taking into account the allotment of bonus shares made in May 2019.
- As stated in the past years, your company does not follow a stand-alone margin led policy but is focussed on growth with a fair long-term return on capital employed. Operating ROCE stood at 31.55% (PY 37.59%) on expanded asset base.
- The Company is debt-free and carried a comfortable free cash of ₹ 365 Crores (including short term Liquid investments) as on 31st March 2020.

To sum up, your Board of Directors is of the view that the current year performance is satisfactory given the tough external environment. Your Company continues to maintain its overall market share in value terms across product categories.

Considering the uncertainty caused by COVID-19, your Directors consider it prudent to recommend a lesser rate of dividend at ₹ 20 per share (PY ₹ 30 per share) and consider paying an interim dividend during FY 21 based on easing of uncertainties that require preservation of cash.

A detailed analysis is provided under the section 'Management's Discussion and Analysis' forming part of this Director's Report including the impact and uncertainty caused by the COVID-19 pandemic.

AWARDS AND RECOGNITIONS

Your Company continued to be recognized by various agencies for its high-quality performance under various parameters. During the Financial Year 19-20, your Company bagged the following awards/recognitions.

- Awarded Readers Digest Most Trusted Brand Awarded in Kitchen Appliances
- National Award for marketing excellence –Brand Revitalization Award
- National Award for marketing excellence –Award for Marketing Excellence in Kitchenware Sector
- International Brand Consulting Corporation – India's Most Trusted Companies Award 2019

MANAGEMENT'S DISCUSSION AND ANALYSIS

A. ECONOMY / INDUSTRY SCENARIO

The overall slowdown that was seen towards the end of FY 2018-19 continued to affect the growth prospects of many industries. The rural stress was further compounded by liquidity crisis due to NBFC crisis severely affecting the rural demand. Various measures taken by the Government to improve liquidity, credit expansion, infrastructure etc and the steep reduction on corporate tax rates resulted in some signs of recovery from January 2020. The bountiful monsoon also started providing impetus to the agricultural sector. Unfortunately, the COVID-19 pandemic that enveloped the globe since February 2020, spoiled the green shoots with the result that the overall GDP growth was at its lowest in the last two decades i.e. 4.3% . Agricultural performance and food grain stock are probably the only silver lining amidst dark clouds. This pandemic has thrown every economy in the world out of gear and it is very difficult to predict the return of normalcy in the near future in most of the global economies.

Your Company predominantly operates in the Kitchen Appliances segment with a wide range of product categories. The product categories broadly consist of Pressure Cookers, Cookware, Gas Stoves and Domestic Kitchen Electrical Appliances. Your Company entered the Cleaning solutions segment from FY 17-18. The market for all these segments consists of organized national brands, regional brands as well as unorganized players. Except for Pressure Cookers, Cookware and Induction Cooktops, the market for the rest of the key product lines is fragmented and is shared by several players. Over the last five years or so many players both big and small have been entering as well as exiting the appliance categories and the churn is still going on.

Continued perception of uncertainty in disposable income amongst core middle-class is giving room for down-trading/bundling of products of entry level price points by some regional brands and is distorting the market for entry level products. Uncertain economic conditions have made many a consumer, especially the middle-income group, to hold on to liquidity which is impacting the demand for value added products also. Competition within the modern format and online channels has led to entry of regional brands at low price points in these channels though affecting value propositions both in terms of revenue and profits for these channels.

Even in these difficult conditions your Company maintains its leadership position in key categories like Pressure Cookers, Cookware, Value added Gas Stoves, Induction Cook top, Rice Cookers, Kettles etc and is steadily improving its market share in the Mixer Grinder segment.

Going forward, proactive innovation and product differentiation coupled with innovative distribution will be the key to stay ahead in the marketplace.

B. ANALYSIS OF PERFORMANCE:

1. Kitchen & Home Appliances:

The products include Pressure Cookers, Cookware, Kitchen Electrical Appliances, Gas Stoves, and Home Appliances. The turnover of these product categories is given in the following table:

(₹ in Crores)

	2019-20			2018-19		
	Domestic	Export	Total	Domestic	Export	Total
Pressure Cookers (including Microwave Pressure Cookers)	573.78	22.41	596.19	614.56	31.16	645.72
Cookware	274.16	17.53	291.69	283.72	17.89	301.61
Gas Stoves	260.82	0.65	261.47	271.06	0.64	271.70
Mixer Grinder	232.47	0.63	233.10	224.11	0.87	224.98
Other Kitchen/ Home Appliances	446.58		446.58	425.27	0.10	425.37
Cleaning Solutions	34.00		34.00	27.79	-	27.79
Others	73.09	0.67	73.76	70.07	0.78	70.85
Total	1894.90	41.89	1936.79	1916.58	51.44	1968.02

- As mentioned earlier, the growth in sales was adversely affected largely by external factors like rural stress, general economic slowdown and Covid pandemic. Your

Company also tightened its trade policy with general trade as well as modern format stores in order to improve working capital efficiencies and information flow. This had a transient impact during the first 9 months of operations. Covid impact alone deprived sales of approximately ₹ 70 crores, the impact on absolute EBITDA margins being in the region of ₹ 20 crores. There was also an additional spend of over ₹ 7 crores in Advertisement and Promotions during the last quarter but could not be leveraged to get higher sales due to lockdown.

- b. The new category of Cleaning Solutions is progressing satisfactorily yielding expected growths. Your Company is yet to increase its footprint on a national basis.
- c. Not with standing Covid impact on sales and costs, various operating ratios were maintained at healthy levels ensuring EBITDA margin at 14.7% as against 15.8% in the previous year.
- d. Operating ROCE stood at 31.55% (PY 37.59%) on expanded manufacturing asset base which are yet to be optimally utilised. Your Company continued to be debt free and carried a sizeable free cash balance at the year end.
- e. Your Company has over the last few years substantially reduced its dependence on imports which has a positive impact on working capital efficiencies. Gross current ratio remained steady at 2.93 times notwithstanding the Covid impact on receivables and inventories.
- f. During the year under report your Company introduced around 146 new SKUs covering Pressure Cookers, Induction Cook tops, Mixer Grinders, Rice Cookers, Gas Stoves and other Small Electric/Non-Electric Appliances and Cleaning Solutions. All these introductions received good response.
- g. Judge brand as a tactical brand is progressing well and contributed around ₹ 21 crores to Sales (PY ₹ 8 crores)
- h. Prestige Xclusive network was consolidated and rationalized where necessary and new outlets were added. The number of outlets as at 31.3.2020 was 588 (PY 569). The network now covers 26 States and 345 Towns. The spread of the network is also

evenly distributed between Metros, Mini-Metros, Tier 1, Tier 2 and Tier 3 cities.

- i. Service network was significantly expanded to 441 centres (PY - 391 centres).

C. OVERSEAS SUBSIDIARY & CONSOLIDATED RESULTS:

The operating subsidiary Horwood Homewares Limited (HHL) maintained its sales at £15 million against the backdrop of continued Brexit impact and COVID-19 pandemic impact. EBITDA was £0.7 million (PY £0.8 million). The subsidiary introduced new products and new category SMIDGE range and has enhanced its presence in online channels. The subsidiary has been performing better than most of its peers. During the year HHL has acquired Ecosoul life business through its new 51% subsidiary Horwood Life Limited. The consolidated financials are attached to this Annual Report separately. Your Company in the Consolidated Financials has recognized an impairment in the investments made by TTK British Holdings Ltd, our direct subsidiary in HHL to the extent of GBP 1.26 million, by way of prudence and abundant caution owing to the uncertainties caused in the UK market by COVID-19 pandemic. This is reflected in the consolidated financials attached to this Annual Report.

D. COVID-19'S IMPACT ON OPERATIONS, OUT LOOK & OPPORTUNITIES:

1. Current Standpoint:

- a. As outlined earlier the impact on the 4th quarter performance was severe resulting in a loss in sale to the tune of ₹ 70 crores with an estimated loss in absolute EBITDA of around ₹ 20 crores. On the truncated sale your Company had to absorb idle overheads to the tune of ₹ 5 crores caused by shut down.
- b. There was no sales in April 2020, and primary sales started from 4th May 2020 on partial lifting of lockdown. On and after 6th May 2020 manufacturing operations started in all locations in compliance with the regulations applicable to each of the units. Till the date of this report only day shift is being operated.
- c. Corporate and commercial offices are functioning with 50% strength and the remaining 50% working from home.
- d. Company's Prestige Xclusive network started retail sales in non-containment zones from May 2020 and general trade was also opened with restricted timings in non-containment zones. The retail offtake from the outlets that are open has been satisfactory and is at the levels that prevailed before lockdown started.

- e. At the start of FY 20-21 adequate inventory was available at the trade level as well as at the company level to meet the end consumer demand.
 - f. Company's primary sales has also been picking up gradually and the sales during the month of June 2020 till the date of this report is better than the corresponding period of the previous year though your Company is servicing only 50% of the market. Currently your company is serving its exclusive network, general trade, company's own online and third-party online channels.
 - g. During the entire lockdown period your Company paid all its employees including contract workmen without any pay cuts and discharged all its statutory obligations and payments to all vendors within due dates. Over the past several years your Company has been prudent in application of its free cash and built sufficient cash reserves to meet exigencies as well as business expansion. This is helping your Company to tide over the current difficult business climate caused by Covid. As of the date of this report your Company carries free cash of ₹ 235 Crores.
 - h. Using this opportunity your Company has beefed up its IT strength and continued engagement with all its stakeholders digitally and revamped its layout in all manufacturing locations to yield better productivity and at the same time conforming to "social distancing" in workstations. During the lockdown period your Company conducted online people development programs for all levels of employees, including preparing for the new normal that is forced by the pandemic.
 - i. Your Company educated and supported the general trade channels and PXL network and oriented them to online booking of orders and home delivery so that not a single opportunity to sell is missed. In the same way, service network was also geared up to attend to all the pending service requests that accumulated in sizable numbers during the lockdown period.
 - j. Sales force have been trained and provided necessary IT support to deal with the trade partners digitally without the need to undertake the risk of travelling.
 - k. Export sale has also been picking up since last week of May 2020.
 - l. Your Company has over the last few years been actively pursuing 'Make In India' policy for appliances portfolio by fortifying local vendors thus reducing the dependence on imports from China to just 10% of total sales and even for these SKUs local vendors are being developed to be completely "Self-Reliant" in short time.
- 2. Current Standpoint:**
- a. Given the unrelenting spread of the pandemic and large-scale loss of jobs and vocations, the near-term outlook for the global economy is uncertain and growth prospects are bleak at the global and national level.
 - b. As your Company is in the home and kitchen appliance domain, the stress caused by lockdown in domestic kitchens, the need for improving kitchens and replacing appliances is likely to result in demand for such products. While demand arising out of gifting during marriage and other occasions could be minimal due to restrictions on gatherings, the replacement demand at homes is likely to increase. Further the reluctance to eat outside or order foods from outside is increasing the dependence on domestic kitchens. Working from home is going to be the order of day and this can give raise to demand for a host of home appliance. All these factors can enable sustaining business at levels that can generate decent profits after meeting all expenses.
 - c. Your Company has already put in place steps for improvement of efficiencies and management of critical costs to deliver decent profits even though growth may be impaired.
 - d. Your company is comparatively better placed owing to its brand salience, exclusive retail network across India besides strong presence in every other channel that reaches the end consumer. Your company is debt-free, and all its manufacturing and sourcing outfits are in operational conditions with adequate human resource and thus can increase supplies to the market at short notice.
 - e. From the macroeconomic point of view, the Government is planning to kick start infrastructure projects in rural areas to give employment to migrant workmen who have returned to their native States. This can give raise to rural penetration in the foreseeable

future. Your Company has already made a heads-start in rural penetration over the last couple of years.

- f. Overall private consumption cannot improve till restoration of the travel, tourism and hospitality sectors and preparedness of public at large to travel for business and pleasure. Even if the pandemic subsides in the near future, the resurgence of these sectors may take a longer time.
- g. There is an increased tendency among global brands to shift a significant portion of sourcing outside China and India is being looked upon as an alternative. Your Company's export customers are already looking for increasing their sourcing from your Company.
- h. The unsettled economic environment can lead to a churn in businesses in the form of corporate restructuring, exits and reorganizations that can lead to addition of new categories/consolidation of business in the hands of healthy players.

3. Impact on Medium & Long-Term Strategy:

- a. As mentioned in the last year report, your Company has adopted an expansive Vision – To Delight Home Makers with Innovation and To Make Company's products available at Every Home.
- b. Based on this vision your Company had developed strategies to increase its product base and customer base across India both rural and urban so as to double the turnover in about 5 years.
- c. Covid pandemic has become a speed breaker and it may take a year or two more to reach this milestone. The investment on innovation and search for inorganic opportunities are always on. The blueprint that has been prepared is still relevant and may require some tweaking in tune with the changed conditions.
- d. Shareholders are aware that your Company operates out of its core strengths of brand, innovation, design, manufacturing, distribution, sourcing, and service capabilities and more importantly 'Customer Engagement' and will continue its efforts to further fortify these strengths. For instance, your Company is already geared to launch 100 new SKUs in the market during FY 20-21 and the same will be timed keeping a watch on progressive relaxation of lockdown and

consumer sentiments. In order to expand high-end customer base with life-style kitchen and home appliances your Company has embarked upon creating a network of Prestige Lifestyle Stores during current FY. Two stores have already been opened in Bengaluru during June 2020.

- e. In the medium and long-term, your Company expects to maintain a healthy EBITDA margin and Return on Capital Employed subject to Covid pandemic subsiding during FY 21 itself.

E. THREATS

While there are vast opportunities in the Domestic Market, threats can continue in the form of unorganized sector and irrational discounting by regional brands. As the entry barriers are low, any lag in innovation can impact growth. The proliferation of e-commerce companies, while helping us to grow, may also have some impact on gross margin but your Company pursues a dynamic cost management process to ensure healthy margins at EBITDA levels.

F. RISKS AND CONCERNS

The various general economic risks and concerns which can impact your Company have already been outlined in the preceding sections. The concerns largely centre around external factors.

G. RISK MANAGEMENT

Your Company has constituted a Risk Management Committee as required under SEBI (LODR) Regulations the details of which are provided in the Report on Corporate Governance.

Your Company has developed and implemented a Risk Management Policy which includes identification of elements of risk, if any, which in the opinion of the Board, may threaten the existence of the Company.

Your Company has a risk identification and management framework appropriate to the size of your Company and the environment under which it operates. The process involves identifying both external and internal risks and the readiness to respond to calamities and disasters.

Risks are being continuously identified in relation to business strategy, operations and transactions, statutory/legal compliance, financial reporting, information technology system and overall internal control framework.

Your Company is utilizing the services of independent professional management auditors for advising the Company on a continuous basis on contemporary risk management framework appropriate to the size and operations of the Company. They are also carrying out risk audit on a periodical basis.

Your Board is periodically reviewing the broad risk framework to ensure that there is a dynamic process to capture and measure key elements of risks.

H. SHARE CAPITAL

The paid-up equity share capital as on 31st March 2020 was ₹ 13.86 Crores (PY ₹ 11.56 Crores). The increase in paid-up capital was on account of allotment of 23,10,233 bonus shares of face value of ₹ 10 each made in May 2019.

The Authorised Capital remains the same i.e. ₹ 15 crores divided into 1,50,00,000 equity shares of ₹ 10 each.

I. FINANCES

Your Company continues to generate substantial post-tax operating free cash flows and the same have been applied to meet capital expenditure besides other uses including investments in the UK Subsidiary, retirement of debt and payment of dividend. Your Company on a standalone basis continued to be debt-free and at the end of the year carried cash and liquid investments of around ₹ 365 Crores after further investments in the UK subsidiary to the tune of ₹ 44.48 Crores.

J. CAPITAL EXPENDITURE PLANS

Pursuant to overall Long-Range Plan provision of ₹ 200 crore capex over three years, your Company has spent about ₹ 70 crores in FY 19-20 by and large completing the envisaged plan. No major capital expenditure other than normal maintenance capex is slated for FY 21.

K. INVESTMENTS

During the year, your Company invested an additional amount of ₹ 44.48 Crores in the wholly owned UK subsidiary. Other than this your Company carries short-term investments in mutual funds as a part of treasury operations as mentioned in para I.

L. INTERNAL CONTROL SYSTEMS

Your Company has necessary Internal Control Systems in place which is commensurate with the size, scale, and complexity of its operations. Your Company is continuously making improvements in internal control systems keeping in view the increasing level of activities. Independent team of Internal Auditors/Management Auditors are carrying out internal audits and advising the management on strengthening of internal control systems. The reports are periodically discussed internally. Significant audit observations and corrective actions thereon are presented to the Audit Committee.

M. DEVELOPMENTS IN HUMAN RESOURCES

In line with the Long-Range Plan, your Company has implemented strategic HR initiatives covering

competency development, talent management, leadership development, succession management etc. The in-house Human Resource Department is constantly being strengthened. A host of people development programmes are put in place on a continuous basis.

The industrial relations across all the manufacturing units has been by and large cordial. Long term settlement was concluded during the year for Hosur Unit.

The direct employment strength stood at 1443 as compared to 1463 in the previous year.

FIXED DEPOSIT

Your Company is neither inviting or accepting Deposits from public or shareholders and hence there are no deposits outstanding or remaining unpaid as at the end of 31st March 2020.

DIVIDEND

Considering the uncertainty caused by COVID-19, your Directors consider it prudent to recommend a lesser rate of dividend at ₹ 20 per share (PY ₹ 30 per share).

FUTURISTIC STATEMENTS

This Directors' Report and the Management Discussion and Analysis included therein may contain certain statements, which are futuristic in nature. Such statements represent the intentions of the Management and the efforts being put in by them to realize certain goals. The success in realizing these goals depends on various factors both internal and external. Therefore, the investors are requested to make their own independent judgments by considering all relevant factors before taking any investment decision.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March, 2020

(Pursuant to section 204 (1) of Companies Act 2013 and rule No 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
TTK Prestige Limited,
Plot Nos. 38, SIPCOT Industrial Complex, Hosur – 635 126
Tamilnadu

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **TTK PRESTIGE LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2020 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on **March 31, 2020** and made available to me, according to the provisions of:

- i. The Companies Act, 2013 (the Act) and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

(c) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; and

(d) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

vi. Other laws applicable specifically to the Company, namely:

(a) The Patents Act, 1970 (Not applicable during the Audit period)

(b) The Trade Marks Act, 1999 (Not applicable during the Audit period).

I have also examined compliance with the applicable clauses of the Secretarial Standards issued by The Institute of Company Secretaries of India.

I report that, during the year under review, the Company has complied with the provisions of the Acts, Rules, Regulations and Guidelines and Standards mentioned above.

I further report that, there were no events/actions in pursuance of:

- a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
 - b) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
 - c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
 - d) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
 - e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014
- requiring compliance thereof by the Company during the audit period.

I further report that, the compliance by the Company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts have not been reviewed in this Audit since the same have been subject to review by the statutory financial auditor and other designated professionals.

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that, based on the information provided and the representation made by the Company and also on the

review of the compliance reports of the Managing Director/ Chief Financial Officer/Company Secretary taken on record by the Board of Directors of the Company, in my opinion there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I report further that, there were no other specific events/ actions in pursuance of the above referred laws, rules, regulations, guidelines etc. having a major bearing on the Company's affairs during the audit period.

Auditors' Certificate on Compliance of Conditions of Corporate Governance under Schedule (E) to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

To the Members of TTK Prestige Limited

This certificate is issued in accordance with the terms of our engagement with TTK Prestige Limited ('the Company').

We have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on 31 March 2020, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

Managements' Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes preparation and maintenance of all relevant supporting records and documents, the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Pursuant to the requirements of the Listing Regulations, it is our responsibility to provide a reasonable assurance whether the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations for the year ended 31st March, 2020.

We conducted our examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D and E of Schedule V of the Listing Regulations during the year ended March 31, 2020. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction of Use

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the aforesaid Regulations and may not be suitable for any other purpose.

Section E: Principle-wise performance

Principle 1

- Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs /Others?

Largely applies to the Company

- How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

The company received 209 complaints from stakeholders and all have been resolved. As regards after sales service, the same is being handled through a wide network of service centres and online customer service.

Principle 2

- List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

MICROWAVE PRESSURE COOKER and COFFEE PERCOLATOR

This product is a Pressure cooker using disposable composites moving away from traditional metal. This also helps in the environmental impact as it consumes less energy in a microwave cooking as compared to the conventional induction / gas cooking.

We have designed smart products taking into consideration the current lifestyles of open kitchens and the contribution of the male members in the cooking activities. Example: Milk Boiler etc.

INDUCTION COOK TOP

Our Induction Cookers are >90% efficient in transfer of heat, keep warm function and a whistle counter which reduces the heating as soon as the preset number of cooker whistles blows. (during cooking).

DUO WATER FILTER

The Duo water purifiers for domestic use does not use electricity, it is based on Gravity water purification, has the seal of purity given by the WQIA. This does not use electricity and give pure water of Log 6:4:3. The water storage tank is made of Copper / Brass , which ensure the water has many health benefits and keeps the water pure.

By introducing various designs of Floor cleaning Mops with the concept of The Total Cleaning Home Solutions, the water consumption to clean the Home reduced by 50%

The EMS (Environmental Management systems) ISO 14001 has ensured we identify and assess potential environmental risks. This has been audited by Ms. TUV Rhineland, A German Notified Body. One of our factory at Roorkee has been certified for the above

The BS OSHAS 18001 (Occupational Health and safety management systems) has ensured we identify the risks with respect to Health and safety (working environment). This has been audited by Ms. TUV Rhienland, a German Notified Body. Also, the new version of International Safety Standard ISO 45001 has been implemented. The above certifications are now in four of our Manufacturing Plants for the effective implementation of Safety Standards. A new supply chain security system called Global security verification (GSV) has been audited and certified for Karjan plant by M/s Intertek, India who are the third party certification agency.

Initiatives to reduce environmental impact:

1.2 Kgs of muck per day from polishing is used as fuel for melting of soap is being continued. This will reduce impact on the environment (Soil). This is a substitute for diesel (Fossil Fuel)

For cooker polishing we are using Diesel Fuel (fossil fuel), this has been substituted by Bio degradable Liquid, Aqua Blue and continued to be used.

The EMS (Environmental Management Systems) ISO 14001 has enabled us to identify and assess potential environmental risks. This has been audited by M/s.TUV Rhienland, a German Notified Body

For cooker and cookware packaging, To improve the awareness on the Concept of Re- Use of Polybags, the Polybags with the thickness of more than 51 micros used and adhered the Govt. regulations by printing all the relevant information including Re Sale value.

- MOU with Ambuja Cement for Co-Processing (Reuse) of Paint related waste as fuel instead of sending for Incineration and is being continued.
- Non-Stick Coating Production line Paint booths have been replaced with New & Efficient paint booths to improve the suction systems & thus reducing Suspended Particulate Matter in the Non-Stick coating area

2 For each such product, provide the following details in respect of resource use (Energy, water, raw material etc.) per unit of product (optional):

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF TTK PRESTIGE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of TTK Prestige Limited ("the Company"), which comprise the standalone balance sheet as at 31 March 2020, and the standalone statement of Profit and Loss, including other comprehensive income, standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

We draw attention to:

Note 5.17 to the standalone financial statements, regarding the management's impairment assessment of property, plant and equipment, intangible assets, investments, trade receivables valuation as at 31 March 2020 being considered as unimpaired / recoverable based on the future operations plans and cash flows wherein projections are made based on the various judgments and estimates related to inflation, discount rates, and implications expected to arise from COVID-19 pandemic, wherein actual results could vary.

Our opinion is not modified in respect of the above matter.

Key Audit Matter

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the Key Audit Matter to be communicated in our report.

Sl.No	Key Audit Matter	How our audit addressed the Key Audit Matter
1.	Revenue Recognition The Company manufactures and trades in a number of products related to kitchen appliances. Revenue is measured net of discounts, incentives and rebates earned by customers on the Company's sales. Given the variety and large number of sales transactions and estimates involved in discounts etc., revenue recognition is considered a Key Audit Matter. Disclosure Note 5.6 and the accounting policies provide additional information on how the Company accounts for its revenue	Our audit included but was not limited to the following procedures: Our procedures included, among others, obtaining an understanding of the processes and relevant controls relating to the accounting for customer contracts. Accounting policies: Assessing the appropriateness of the Company's revenue recognition accounting policies, including those relating to discounts, incentives and rebates under Ind AS 115.

Standalone Audit Report (Contd...)

	Control testing: Testing the selected key controls for the revenue recognized throughout the year and calculation of discounts, incentives and rebates, including reviewing the results of testing by management, for their operating effectiveness and performed procedures to gain sufficient audit evidence on the accuracy of the accounting for customer contracts and related financial statement assertions. Evaluating the IT systems relevant for revenue recognition and the functioning of the related general IT controls. Tests of details: • Reviewed sales transactions recorded either side of year end as well as credit notes issued after the year end date to determine whether revenue was recognized in the correct period. • Performed substantive procedures to understand and validate the basis of provision for schemes and discounts with underlying workings and evidences • Compared the current year estimates of discounts, incentives and rebates to the prior year and, where relevant, completing further inquiries and testing. • Obtained the supporting documentation on sample basis for discounts and incentives given under schemes to agree to the amounts recorded as discounts and incentives during the period. • Critically assessed manual journals posted to revenue to identify unusual or irregular items. Disclosures: Tracing disclosure information to accounting records and other supporting documentation.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's management and Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the board's report, business responsibility report and report on Corporate Governance but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness

Standalone Audit Report (Contd...)

of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key Audit Matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Standalone Audit Report (Contd...)

2. As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- (c) The standalone balance Sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone cash flow Statement and the standalone statement of Changes in Equity dealt with by this report are in agreement with the books of account
- (d) In our opinion, the aforesaid Standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- (e) At this juncture, we are unable to comment whether the matter described in the Emphasis of Matter paragraph above, may have an adverse effect on the functioning of the Company.
- (f) On the basis of the written representations received from the directors as on March 31, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2020 on its financial position in its Standalone financial statements Refer Note 5.9.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts – Refer Note 5.3
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31st March 2020.

3. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act.

ANNEXURE A

Referred to in paragraph 1 on 'Report on Other Legal and Regulatory Requirements' of our report of even date to the members of TTK Prestige Limited ("the Company") on the standalone financial statements as of and for the year ended 31 March 2020.

- (i) In respect of the Company's fixed assets :
- The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
 - The Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain fixed assets were physically verified by the management during the year. In our opinion, and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - According to the information and explanations given to us, the records examined by us and based on the examination of the registered sale deed provided to us, we report that, the title deeds, comprising all the immovable properties of the land and buildings which are freehold, are held in the name of the Company as at Balance Sheet date, except for land at Khardi plant carried in books at ₹ 2.48 Crores acquired pursuant to a scheme of demerger for which transfer of title in the name of the company is under progress. In respect of immovable properties of land and building that have been taken on lease and disclosed as right of use assets in the standalone financial statements, the lease agreements are in the name of the Company
- (ii) The Company has conducted physical verification of inventories at reasonable intervals. Discrepancies noticed on such verification have been properly dealt with in the books of account.
- (iii) Based on our audit procedures & according to the information and explanation given to us, the Company has not granted any loans, secured or unsecured to parties covered in the register maintained under section 189 of the Act and hence 3(iii) of the Order is not applicable to the Company.
- (iv) In our opinion and according to the information and explanation given to us, the Company has complied with provisions of Section 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees, and securities, as applicable.
- (v) Based on our audit procedures & according to the information and explanation given to us, the Company has not accepted any deposits from the public within the meaning of the Act and the rules made there under and hence clause 3(v) of the Order is not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company as specified under Section 148(1) of the Act, for maintenance of cost records in respect of the products manufactured by the Company, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not, made a detailed examination of cost records with a view to determine whether they are accurate or complete.
- (vii) (a) According to the information and explanations given to us and the records of the Company examined by us, the Company has generally been regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, duty of customs, duty of excise, Goods and Services Tax(GST), cess and any other statutory dues as applicable with the appropriate authorities.
- According to the information and explanation given to us and the records of the Company examined by us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, duty of customs, duty of excise, Goods and Services Tax(GST), cess and any other statutory dues were in arrears, as at 31 March 2020 for a period of more than six months from the date they became payable.
- (b) According to the information and explanations given to us and based on our examination of the records of the Company, there are no dues of Income-tax, Sales Tax, Service tax, Goods and Services Tax(GST), Duty of customs, Excise duty and Value added tax as at 31 March 2020, which have not been deposited with the appropriate authorities on account of any dispute, except as stated below:

ANNEXURE B

Referred to in paragraph 2(g) on 'Report on Other Legal and Regulatory Requirements' of our report of even date

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to standalone financial statements of TTK Prestige Limited ("the Company") as of 31 March 2020 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with Reference to Standalone Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2020, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

1. Corporate Information

TTK Prestige Limited ('TTK' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at Plot No.38, SIPCOT Industrial Complex, Hosur, Tamilnadu – 635126. The Company's shares are listed and traded on Stock Exchanges in India. The Company is primarily engaged in the business of Kitchen and Home Appliances.

2. Significant Accounting Policies

a. Statement of Compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Sec 133 of the Companies Act 2013 and other relevant provisions of the Act as amended thereto.

New & Amended standards adopted:**Ind AS 116 – 'Leases'**

Ind AS 116 'Leases' provides a new model for lease accounting in which the majority of leases have been accounted for by the recognition on the balance sheet of a right-of-use asset and a lease liability. The subsequent amortization of the right-of-use asset and the interest expense related to the lease liability have been recognized in profit or loss over the lease term.

The Company has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 using the modified retrospective approach without adjusting the retained earnings. Accordingly, the Company has not restated comparative information

The presentation and timing of recognition of charges in the statement of profit and loss also changed as the operating lease expense reported under Ind AS 17, typically on a straight-line basis, has been replaced by depreciation of the right-of-use asset and interest on the lease liability. In the cash flow statement, operating lease payments presented within cash flows from operating activities under Ind AS 17 but under Ind AS 116 payments have been presented as financing cash flows, representing repayments of debt.

Other Amendments to the existing standards

A number of other accounting standards have been modified on miscellaneous issues with effect from 1st April 2019. Such changes include clarification/guidance on:

- a) business combination accounting in case of obtaining control of a joint operation;
- b) accounting in case of obtaining joint control of an operation wherein there was no joint control earlier;

- c) income tax consequences in case of dividends;
- d) accounting for income tax when there is uncertainty over income tax treatment of an item by tax authorities;
- e) accounting treatment for specific borrowings post capitalization of corresponding qualifying asset;
- f) accounting for prepayment features with negative compensation in case of debt instruments;
- g) accounting for plan amendment, curtailment or settlement occurring in-between the reporting periods in case of long-term employee benefit plans;
- h) accounting for long-term interests in associates and joint ventures to which the equity method is not applied but that in substance form part of the net investment in the associate or joint venture (long-term interests).

The above amendments did not have any material impact on the financial statements for the current year.

New Standards notified but not effective - None

b. Basis of preparation and presentation:

These financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

As the operating cycle cannot be identified easily in normal course, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

c. Fair value measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed in line with the Company's accounting policies. For this analysis, the company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

d. Use of Estimates and Judgments:

In the application of the Company's accounting policies, the Management of the Company are required to make judgments. The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and

assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis at each balance sheet date. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are provided in Note 5.1

e. Financial Instruments

1. Financial Assets - Investment in subsidiaries, associates and joint ventures:

The Company records the investments in subsidiaries, associates and joint ventures at cost less impairment loss, if any.

1 (a) Financial Assets - Other than investment in subsidiaries, associates and joint ventures

Financial assets other than investment in subsidiaries, associates and joint ventures comprise of investments in equity and debt securities, trade receivables, cash and cash equivalents and other financial assets.

Initial recognition:

All financial assets are recognized initially at Fair value or in case of financial assets not recorded at FVTPL, transaction costs that are attributable to the Acquisition of the financial asset. Purchase or sales of financial asset within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date.

Subsequent measurement:

(i) Financial assets measured at amortized cost:

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of profit and loss.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

The Company while applying above criteria has classified the following at amortized cost

- a) Trade receivable
- b) Other financial assets

(ii) *Financial asset at FVTOCI*

Financial assets that are held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial asset and the contractual terms of financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at FVTOCI. Fair value movements in financial assets at FVTOCI are recognized in other comprehensive income.

Equity instruments held for trading are classified as FTVPL. For other equity instruments the Company classifies the same as FVTOCI. The classification is made on initial recognition and is irrevocable. Fair value changes on equity instruments at FVTOCI excluding dividends, are recognized in other comprehensive income (OCI).

(iii) *Financial asset at FVTPL*

Financial asset are measured at fair value through Profit and loss if it does not meet the criteria for classification as measured at amortized cost or at fair value through other comprehensive income. All fair value changes are recognized in the Statement of Profit and loss.

1 (b) De-recognition on financial asset:

Financial assets are de-recognized when the contractual right to cash flows from the financial asset expires or the financial asset is transferred and the transfer qualifies for De-recognition. On De-recognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of De-recognition) and the consideration received (including any new asset obtained less any new liability Assumed) shall be recognized in the statement of profit and loss (except for equity instruments designated as FVTOCI).

1 (c) Impairment of financial asset:

Trade receivables under IND AS 109, investments in debt instruments that are carried at amortized cost, investments in debt instruments that are carried at FVTOCI are tested for impairment based on the expected credit losses for their respective financial asset.

(i) Trade receivable:

An impairment analysis is performed at each reporting date. The expected credit losses over lifetime of the asset are estimated by adopting the simplified approach using a provision matrix which is based

on historical loss rate reflecting future economic conditions. In this approach assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

(ii) Other financial assets:

Other financial assets are tested for impairment and expected credit losses are measured at an amount equal to 12 month expected credit loss. If the credit risk on the financial asset has increased significantly since initial recognition, then the expected credit losses are measured at an amount equal to life-time expected credit loss.

2. Financial Liabilities:

Initial recognition and measurement:

Financial liabilities are initially recognized at fair value plus any transaction cost that are attributable to the acquisition of financial liability except financial liabilities at fair value through profit and loss which are initially measured at fair value.

Subsequent measurement:

The financial liabilities are classified for subsequent measurement into following categories

- at amortized cost
- at fair value through profit and loss

De-recognition of financial liabilities

A financial liability is derecognized when and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

3. Derivative Financial Instruments:

Foreign exchange forward contracts and options are entered into by the Company to mitigate the risk of changes in foreign exchange rates associated with certain payables, receivables and forecasted transactions denominated in certain foreign currencies. These derivative contracts that do not qualify for hedge accounting under IND AS 109, are initially recognized at fair value on the date the contract is entered into and subsequently measured through Profit or Loss. Gains or loss arising from changes in the fair value of the derivative contracts are recognized in profit or loss.

4. Offsetting of Financial Assets and Liabilities:

Financial assets and liabilities are offset and the net amount is presented in Balance Sheet when, and only when, the Company has a legal right to offset the recognized amounts and intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

5. Reclassification of Financial Assets

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are categorized as equity instruments at FVTOCI and financial assets or liabilities that are specifically designated as FVTPL. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business are expected to be infrequent.

f. Property, plant and equipment

Property plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Cost includes expenditure that is directly attributable to acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located.

When parts of an item of Property, Plant and equipment have differential useful life, they are accounted for as separate items (major components) of property, plant and equipment.

Gains and losses on disposal of an item of property plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of Property, Plant and equipment and are recognized net within other income/ other expenses in the statement of profit and loss account.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognized. The cost of day to day servicing is recognized in the statement of profit and loss account. All other repair and maintenance costs are recognized in profit or loss as incurred.

Depreciation on fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been re-assessed as under based on technical evaluation, taking into the account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties, maintenance support, etc.

- Plant and machinery – 5 to 20 years
- Electrical installations and equipment–5 to 20 years
- Tools and Moulds - 3 to 10 years

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate

g. Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangibles, excluding capitalized development costs, are not capitalized and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.

Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is de-recognized.

Software is amortized @ 20% on straight line basis.

h. Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with Ind AS 16's requirements for cost model.

An investment property is de-recognized upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on de-recognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is de-recognized.

i. Impairment of non-financial assets

The Company assesses, at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of the Company. When the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

j. Leases

On inception of a contract, the company assesses whether it contains a lease. A contract contains a lease when it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The right to use the asset and the obligation under the lease to make payments are recognised in the Company statement of financial position as a right-of-use asset and a lease liability.

Lease contracts may contain both lease and non-lease components. The company allocates payments in the contract to the lease and non-lease components based on their relative stand-alone prices and applies the lease accounting model only to lease components.

The right-of-use asset recognised at lease commencement includes the amount of lease liability recognised, initial direct costs incurred, and lease payments made at or before the commencement date, less any lease incentives received. Unless the Company is reasonably certain to obtain ownership of the leased assets or renewal of the leases at the end of the lease term, recognised right-of-use assets are depreciated to a residual value over the shorter of their estimated

useful life or lease term. Right-of-use assets are also adjusted for any re-measurement of lease liabilities.

The lease liability is initially measured at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments (including 'in-substance fixed' payments) and variable lease payments that depend on an index or a rate, less any lease incentives receivable. 'In-substance fixed' payments are payments that may, in form, contain variability but that, in substance, are unavoidable. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

The lease term includes periods subject to extension options which the Company is reasonably certain to exercise and excludes the effect of early termination options where the Company is not reasonably certain that it will exercise the option. Minimum lease payments include the cost of a purchase option if the Company is reasonably certain it will purchase the underlying asset after the lease term.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the 'in-substance fixed' lease payments or as a result of a rent review or change in the relevant index or rate.

Variable lease payments that do not depend on an index or a rate are recognised as an expense in the period over which the event or condition that triggers the payment occurs. In respect of variable leases which guarantee a minimum amount of rent over the lease term, the guaranteed amount is considered to be an 'in-substance fixed' lease payment and included in the initial calculation of the lease liability. Payments which are 'in-substance fixed' are charged against the lease liability.

The Company has opted not to apply the lease accounting model to leases of lowvalue assets or leases which have a term of less than 12 months.

k. Foreign Currency Transactions

• Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

• Subsequent Recognition

As at the reporting date, non-monetary items which are carried at historical cost and denominated

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were fair value measured.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

l. Cash and cash equivalents (for the purpose of cash flow statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of no cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year is classified by operating, investing and financing activities.

m. Inventories

Inventories are valued at the lower of cost (computed on a Weighted Average basis) or net realizable value. Cost includes the cost of purchase including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. Trade discounts, rebates and benefits are deducted in determining the cost of purchase. Net realizable value represents the estimated selling price for the inventories less all estimated costs of completion and costs necessary to make the sale.

Finished goods and Work in Progress include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

n. Provisions

General

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Warranty provisions

Provisions for warranty-related costs are recognized when the goods are sold to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

o. Revenue recognition

• Revenue from Sale of goods:

Sales are stated at net of returns and GST. Sales Revenue is recognized when:

Revenue is recognized at a point in time upon transfer of control over the products sold to customers which generally coincides with the delivery of goods at customer premises.

The goods are often sold with volume discounts based on aggregate sales over a defined period typically ranging between 1 month -12 months. Revenue from these sales are recognised based on the price specified in the contract, net of the estimated volume discounts. Accumulated experience is used to estimate and provide for the discounts, using the expected value method, and revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur. A contract liability is recognised for expected volume discounts payable to customers in relation to sales made until the end of the reporting period. The Company adjusts estimate of revenue at the earlier of when the most likely amount of consideration company expects to receive changes or when the consideration becomes fixed. No element of financing is deemed present as the sales are made with a credit term of 30-120 days, which is consistent with market practice. The Company's obligation to provide a refund for faulty products under the standard warranty terms is recognised as a provision, see note 3.19 for details.

• Interest income

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.

When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

is included in finance income in the statement of profit and loss. Interest arising on overdue bills is recognized on date of reliable measurement being the date of settlement.

- **Dividend income**

Dividend income from investments is accounted for when the right to receive the payment is established.

p. Employee Benefits

- **Defined Contribution plan (Provident fund)**

The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognized as an expense in the Statement of Profit and Loss. The contributions as specified under the law are paid to respective Regional Provident fund commissioner.

- **Defined Contribution plan (Superannuation)**

The eligible employees of the Company are entitled to receive benefits under the superannuation scheme, a defined contribution plan, in which the Company makes annual contributions of a specified sum, which is recognized as an expense in the Statement of Profit and Loss. The Contributions are by way of annual premium payable in respect of a superannuation policy issued by the Life Insurance Corporation of India, which confers benefits to retired/resigned employees based on policy norms. No other liabilities are incurred by the Company in this regard.

- **Defined Benefit plans (Gratuity and compensated absences)**

The Company makes annual contributions to gratuity funds administered by the trustees for amounts notified by the funds. The Company accounts for the net present value of its obligations for gratuity benefits, based on an independent actuarial valuation, determined on the basis of the projected unit credit method, carried out as at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss.

Past service cost is recognized in Statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Re-measurement.

The Company presents the first two components of defined benefit costs in statement profit and loss in the line item "Employee Benefits Expenses". Curtailment gains and losses are accounted for as past service costs.

The defined benefit obligation recognized in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

- **Compensated Absences**

The Company has a scheme for compensated absences for employees, the liability for which is determined on the basis of an actuarial valuation, carried out at the balance sheet date.

- **Other Employee Benefits**

Other benefits, comprising of Leave Travel Allowances, are determined on an undiscounted basis and recognized based on the likely entitlement thereof.

- **Termination Benefits**

A liability for a termination benefit is recognized at the earlier of when the company can no longer withdraw the offer of the termination benefit and when the company recognizes any related restructuring costs.

q. Taxes

- **Current income tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities on the taxable income of the year. The tax rates and tax laws used for computation of current tax includes those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current tax is recognized in the statement of profit and loss except to the extent it relates to an item recognized directly in equity. Management

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

Minimum Alternate Tax (MAT) is accounted as current tax when the Company is subjected to such provisions of the Income Tax Act. However, credit of such MAT paid is available when the Company is subjected to tax as per normal provisions in the future. Credit on account of MAT is recognized as an asset based on the management's estimate of its recoverability in the future.

• Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and a liability in the financial statements and the corresponding tax base used in the computation of taxable profit and is accounted for using the balance sheet method. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognized if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of the report period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the company intends to settle its current tax assets and liabilities on a net basis.

• Current and Deferred tax charge for the year

Current and deferred tax are recognized in the Statement of profit and loss, except when they relate to items credited or debited directly to equity, in which case the tax is also recognized directly in equity. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the company will pay normal income tax during the specified period.

r. Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

5.1 Critical judgments in applying accounting policies & Key sources of estimation uncertainty:

The preparation of the company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying number of assets or liabilities affected in future periods.

Critical Judgements in applying Accounting Policies:

- (i) **Leases:** The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

- (i) Useful life of Property, Plant & Equipment (PPE)
The Company reviews the estimated useful lives of PPE at the end of each reporting period
- (ii) Defined benefit plans, Defined Benefit Obligations (DBO)
Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.
- (iii) Estimation uncertainty relating to the global health pandemic on COVID 19 – (Refer note 5.17)

5.2 Financial Risk Management Objectives and Policies

The Company is exposed primarily to fluctuations in credit, liquidity and interest rate risks and foreign currency exchange rates, which may adversely impact the fair value of its financial instruments. The company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the company.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

Price Risk

The Company's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The investment in listed and unlisted equity securities are not significant.

Foreign Currency Risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities.

Considering the countries and economic environment in which the company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

to fluctuations in US Dollars against the functional currency of the company.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

The Company imports raw materials and finished goods from outside India as well as makes export sales to countries outside the territories in which they operate from. The Company is therefore exposed to foreign currency risk principally arising out of foreign currency movement against the Indian Currency. Foreign currency exchange risks are managed by entering into forward contracts against foreign currency vendor payables

The Company's outstanding foreign currency exposure is as follows: (USD/EURO/POUNDS in Crores)

Particulars	Liabilities as at		Assets as at	
	31 Mar'20	31 Mar'19	31 Mar'20	31 Mar'19

Pounds	0.00	0.00	0.00	0.00
EURO	0.00	0.00	0.01	0.01

Foreign Currency Sensitivity Analysis

The Company is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables.

As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between USD-INR currency pair, sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below: (₹ in Crores)

USD sensitivity at year end	31 Mar'20	31 Mar'19

Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks.

Financial instruments that are subject to concentrations of credit risk principally consist of investments classified as loans and receivables, trade receivables, loans and

advances, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Company results in material concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 630.23 Crores and ₹ 519.33 Crores as of March 31, 2020 and March 31, 2019 respectively, being the total of the carrying amount of balances with banks, bank deposits, and Trade receivables, other financial assets and investments excluding equity and preference investments. The Company's exposure to customers is diversified and there are no customers who contributes to more than 10% of outstanding accounts receivable as of March 31, 2020 and two customers as of March 31, 2019.

Financial assets that are neither past due nor impaired

Cash and cash equivalents, financial assets carried at fair value and interest-bearing deposits with corporate are neither past due nor impaired. Cash and cash equivalents with banks and interest-bearing deposits placed with corporates, which have high credit rating assigned by international and domestic credit-rating agencies. Financial assets carried at fair value substantially include investment in liquid mutual fund units. With respect to trade receivables and other financial assets that are past due but not impaired, there were no indications as of March 31, 2020, that defaults in payment obligations will occur except as described in note 3.6 on allowances for impairment of trade receivables.

The Company does not hold any collateral for trade receivables and other financial assets. Trade receivables and other financial assets that are neither past due nor impaired relate to new and existing customers and counter parties with no significant defaults in past.

Trade Receivables

Customer credit risk is managed by each business unit subject to the company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance. At 31 March 2020, the Company had 3 Customers (31 March 2019: 2 customers) that owed the Company more than 5% of the Total receivables, which accounted for approximately 21.91% (31 March 2019: 27.90%) of all the receivables outstanding.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed above under Credit risk. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the company's policy. The cash surpluses of the company are short term

in nature and are invested in Liquid Debt Mutual funds and bonds. Hence, the assessed credit risk is low.

Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements.

The Company consistently generated sufficient cash flows from operations to meet its financial obligations as and when they fall due.

The table below summarizes the maturity profile of the company's financial liabilities (excluding lease liability) based on contractual undiscounted payments and financial assets (excluding cash and cash equivalents) based on contractual undiscounted receipts:

Accordingly, the comparative information in these Company's Financial Statements has been not been restated. The impact of the new standard in Company's Financial Statement is summarized and set out below

On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of ₹13.90 Crores, and a lease liability of ₹11.94 Crores. Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments. On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
3. Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.

The weighted average incremental borrowing rate applied to lease liabilities as at April 1, 2019 is 9.15%.

Following are the changes in the carrying value of liabilities, for the year ended March 31, 2020, (for the changes in right of use assets please refer note 3.1B):

Salary growth rate (+/- 1%)	22.84	19.69	20.39	17.60	10.37	9.13	9.99	8.90

These plans typically expose the Company to actuarial risks such as investment risk, interest rate risk, longevity risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. When there is a deep market for such bonds; if the return on plan asset is below this rate, it will create a plan deficit. Currently, for these plans, investments are made in gratuity fund maintained by the Life Insurance Corporation of India.
Interest risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

5.14 Trade Payables-Micro and Small Enterprises:

Based on data received from Vendors, the amount due to Micro and Small enterprises is ascertained as ₹ 31.72 Crores (PY: ₹ 19.44 Crores). There are no over dues.

5.15 Certain figures apparently may not add up because of rounding off, but are wholly accurate in themselves.

5.16 Your Directors are pleased to recommend a dividend of ₹ 20 per share. (Previous year- ₹ 30 per share) which entails an out lay of ₹ 27.72 Crores (PY ₹ 41.58 Crores) by way of Dividend and ₹ NIL (PY ₹ 8.55 Crores) by way of Dividend Distribution Tax.

5.17 Impact of COVID-19

The Company does not foresee any large-scale contraction in demand in the long run (though there would be short term impact), which could result in significant downsizing of its employee base rendering the physical infrastructure redundant. The leases that the Company has entered with lessors towards properties used as sales offices are long term in nature and no changes in terms of those leases are expected due to the COVID-19. The company has been affected by the impact of COVID-19, with a drop in sales inevitably resulting from the global downturn in sales of non-grocery related products. The directors have taken appropriate action in order to ensure the safety of all employees and to mitigate the impact on the company. This has included closing the office temporarily. The ongoing impact of the current situation is as yet unknown, therefore the operating budget for the coming financial year has been rewritten based on information currently available, and cash flow is being closely monitored to ensure that the company is able to pay both staff and supplier obligations as they become due.

The impact on future revenue streams could come from

- prolonged lock-down situation resulting in its inability to deploy resources at different locations due to restrictions in mobility

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

- b. customers postponing their discretionary spend due to change in priorities

The Company has assessed that customers in large format stores are more prone to immediate impact due to disruption in supply chain, shutdown of malls and drop in demand. The Company has considered the impact to the extent known and available currently. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration. The Company has also assessed the impact of any delays and inability to meet contractual commitments. However the company is constantly exploring new opportunities arising out of this adversity like focusing on sales through e-commerce.

Estimation uncertainty relating to the global health pandemic on COVID-19

In assessing the recoverability of property, plant & equipment, intangible assets receivables, investments, the Company has considered internal and external information up to the date of approval of these financial statements including credit reports and economic forecasts. The Company expects to recover the carrying amount of these assets. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions

Other risk - Impact of COVID-19

Financial assets carried at fair value as at March 31, 2020 is ₹ 294.70 crores and financial assets are carried at amortised cost as at March 31, 2020 is ₹ 300.52 crores. A significant part of the financial assets are classified as Level 1 having fair value of ₹ 294.70 crores as at March 31, 2020. The fair value of these assets is marked to an active market which factors the uncertainties arising out of COVID-19. The financial assets carried at fair value by the company are mainly investments in Mutual Funds, liquid debt securities and accordingly, any material volatility is not expected. Financial assets of ₹ 39.59 crores as at March 31, 2020 carried at amortised cost is in the form of cash and cash equivalents, bank deposits and earmarked balances with banks where the company has assessed the counterparty credit risk. Trade receivables of ₹ 255.96 crores as at March 31, 2020 forms a significant part of the financial assets carried at amortised cost which is valued considering provision for allowance using expected credit loss method. In addition to the historical pattern of credit loss, we have considered the likelihood of increased credit risk and consequential default considering emerging situations due to COVID-19. This assessment is not based on any mathematical model but an assessment considering the nature of verticals, impact immediately seen in the demand outlook of these verticals and the financial strength of the customers in respect of whom amounts are receivable. The Company closely monitors its customers who are going through financial stress and assesses actions such as change in payment terms, discounting of receivables with institutions on no-recourse basis, recognition of revenue on collection basis etc., depending on severity of each case. Basis this assessment, the allowance for doubtful trade receivables of ₹ 16.47 crores as at March 31, 2020 is considered adequate.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF TTK PRESTIGE LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the consolidated financial statements of TTK Prestige Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated Balance Sheet as at 31 March 2020, and the consolidated statement of Profit and Loss including Other Comprehensive Income, the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and on the financial information of the subsidiaries, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31 March 2020, and their consolidated profit, consolidated total comprehensive income, their consolidated statement of changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, together with the ethical requirements that are relevant to our audit of consolidated financial statements under the provisions of the Act, and the Rules thereunder. We have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

We draw attention to:

Note 5.15 to the consolidated financial statements, regarding the management's impairment assessment of property, plant and equipment, intangible assets, investments, trade receivables valuation as at 31 March 2020 being considered as unimpaired / recoverable based on the future operations plans and cash flows and note 5.12 on impairment assessment on goodwill wherein projections are made based on the various judgments and estimates related to inflation, discount rates, and implications expected to arise from COVID-19 pandemic, wherein actual results could vary.

Our opinion is not modified in respect of the above matter.

Key Audit Matter

Key Audit Matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the Key Audit Matter to be communicated in our report.

Sl.No.	Key Audit Matter	How our audit addressed the Key Audit Matter
1.	Revenue Recognition The Group manufactures and trades in a number of products related to kitchen appliances. Revenue is measured net of discounts, incentives and rebates earned by customers on the Group's sales. Given the variety and large number of sales transactions and estimates involved in discounts etc. revenue recognition is considered a Key Audit Matter. Disclosure Note 5.5 and the accounting policies provide additional information on how the Group accounts for its revenue	Our audit included but was not limited to the following procedures: Our procedures included, among others, obtaining an understanding of the processes and relevant controls relating to the accounting for customer contracts. Accounting policies: Assessing the appropriateness of the Group's revenue recognition accounting policies, including those relating to discounts, incentives and rebates under Ind AS 115.

Consolidated Audit Report (Contd...)

		Control testing: Testing the selected key controls for the revenue recognized throughout the year and calculation of discounts, incentives and rebates, including reviewing the results of testing by management, for their operating effectiveness and performed procedures to gain sufficient audit evidence on the accuracy of the accounting for customer contracts and related financial statement assertions. Evaluating the IT systems relevant for revenue recognition and the functioning of the related general IT controls. Tests of details: • Reviewed sales transactions recorded either side of year end as well as credit notes issued after the year end date to determine whether revenue was recognized in the correct period. • Performed substantive procedures to understand and validate the basis of provision for schemes and discounts with underlying workings and evidences • Compared the current year estimates of discounts, incentives and rebates to the prior year and, where relevant, completing further inquiries and testing. • Obtained the supporting documentation on sample basis for discounts and incentives given under schemes to agree to the amounts recorded as discounts and incentives during the period. • Critically assessed manual journals posted to revenue to identify unusual or irregular items. Disclosures: Tracing disclosure information to accounting records and other supporting documentation.

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the boards' report, business responsibility, and report on corporate governance but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group in accordance

Consolidated Audit Report (Contd...)

with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of each company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company, its subsidiary companies which are companies incorporated in India have adequate internal financial controls with reference to the consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements which have been compiled based on management accounts.

Consolidated Audit Report (Contd...)

We communicate with those charged with governance of the holding company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of 3 subsidiaries (TTK British Holdings Limited, Horwood Homewares Limited and Horwood Life Limited), whose financial statements reflect total assets of ₹ 92.34 Cr and net assets of ₹ 8.13 Cr as at 31 March 2020, total revenues of ₹ 136.25 Cr, net loss of ₹ 13.97 Cr and net cash flows amounting to ₹ 17.98 Cr for the year ended on that date, as considered in the consolidated financial statements. These financial statements are unaudited and have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management, these financial information are not material to the group.
- (b) These subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in United Kingdom (UK). The Holding Company's management has converted the financial statements of subsidiaries from accounting principles generally accepted in UK to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

- 1. As required by Section 143 (3) of the Act, based on our audit and financial information of subsidiaries as noted in the 'Other matters' paragraph, we report, to the extent applicable, that:

ANNEXURE A

Referred to in paragraph 1(g) on 'Report on Other Legal and Regulatory Requirements' of our report of even date on the consolidated financial statements of TTK Prestige Limited

Report on the Internal Financial Controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of **TTK Prestige Limited** (hereinafter referred to as "the Holding Company") as of and for the year ended 31 March 2020, we have audited the internal financial controls with reference to the financial statements of the Holding Company. The subsidiaries of TTK Prestige Limited are incorporated outside India.

Management's Responsibility for Internal Financial Controls

The Management and the board of directors of the Holding company are responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control with reference to financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls with reference to Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls with reference to consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of internal financial controls with reference to consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements of the Holding Company, which is the only company in the group incorporated in India.

Meaning of Internal financial controls with reference to consolidated financial statements

A company's internal financial control with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal financial controls with reference to consolidated financial statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Holding Company has, in all material respects, an adequate internal financial controls system with reference to consolidated financial statements and such internal financial controls with reference to consolidated financial statements were operating effectively as at 31 March 2020, based on the internal control with reference to consolidated financial statements criteria established by the companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

1. Corporate information

TTK Prestige Limited ('TTK' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at Plot No.38, SIPCOT Industrial Complex, Hosur, Tamilnadu-635126. The Company's shares are listed and traded on Stock Exchanges in India. The Company is primarily engaged in manufacture of Kitchen and Home Appliances.

TTK Prestige Limited together with its subsidiaries is hereinafter referred to as "Group", the term "company" wherever used in the consolidated financial statements, refer to TTK Prestige Limited.

2. Significant Accounting Policies

a. Statement of Compliance

The financial statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Sec 133 of the Companies Act 2013 and other relevant provisions of the Act as amended thereto.

New & Amended standards adopted:

Ind AS 116 – 'Leases'

Ind AS 116 'Leases' provides a new model for lease accounting in which the majority of leases have been accounted for by the recognition on the balance sheet of a right-of-use asset and a lease liability. The subsequent amortization of the right-of-use asset and the interest expense related to the lease liability have been recognized in profit or loss over the lease term.

The Group has adopted Ind AS 116, effective annual reporting period beginning April 1, 2019 using the modified retrospective approach without adjusting the retained earnings. Accordingly, the Group has not restated comparative information.

The presentation and timing of recognition of charges in the statement of profit and loss also changed as the operating lease expense reported under Ind AS 17, typically on a straight-line basis, has been replaced by depreciation of the right-of-use asset and interest on the lease liability. In the cash flow statement, operating lease payments presented within cash flows from operating activities under Ind AS 17 but under Ind AS 116 payments have been presented as financing cash flows, representing repayments of debt, and as

operating cash flows, representing payments of interest.

Other Amendments to the existing standards

A number of other accounting standards have been modified on miscellaneous issues with effect from 1st April 2019. Such changes include clarification/guidance on:

- business combination accounting in case of obtaining control of a joint operation;
- accounting in case of obtaining joint control of an operation wherein there was no joint control earlier;
- income tax consequences in case of dividends;
- accounting for income tax when there is uncertainty over income tax treatment of an item by tax authorities;
- accounting treatment for specific borrowings post capitalization of corresponding qualifying asset;
- accounting for prepayment features with negative compensation in case of debt instruments;
- accounting for plan amendment, curtailment or settlement occurring in-between the reporting periods in case of long-term employee benefit plans;
- accounting for long-term interests in associates and joint ventures to which the equity method is not applied but that in substance form part of the net investment in the associate or joint venture (long-term interests).

The above amendments did not have any material impact on the financial statements for the current year.

New Standards notified but not effective - None

b. Basis of preparation and presentation:

These financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

As the operating cycle cannot be identified easily in normal course, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Group's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

c. Principles of Consolidation and Equity Accounting:

Subsidiaries are all entities (including structured entities) over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary is fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date the control ceases. The acquisition method of accounting is used to account for business combinations by the group.

The group combines the financial statements of the parent and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intergroup transactions, balances and unrealized gains on transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of transferred asset. Accounting policies of subsidiary has been changed where necessary to ensure consistency with the policies adopted by the group. Non-Controlling interests, if any, in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

Subsidiaries:

Name of the Company	Percentage of Holding
TTK British Holdings Limited	100%
Horwood Homewares Limited	100%
Horwood Life Limited	51%

d. Other Significant Accounting Policies:

These are set out under "Significant Accounting Policies" as given in the Company's Standalone financial statements except for

Foreign Currency Translations:

Items included in the financial statements of each of the group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Consolidated financial statements are presented in Indian Rupee (INR), which is the parent's functional and presentation currency.

The results and financial position of each of the group entities whose functional currency is different from the parent's functional currency is translated using the following procedures:

- Assets and liabilities for each balance sheet presented translated at the closing rate at the date of that balance sheet.
- Income and expenses presented in statement of profit and loss translated at monthly average exchange rate and
- All resulting exchange differences recognized in other comprehensive income.

Goodwill:

Goodwill on acquisition of Subsidiaries is included in Intangible assets. Goodwill is not amortized but it is tested for impairment annually or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or group of units are identified at the lowest levels at which goodwill is monitored for internal management purposes, which in our case are the operating segments.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

5.1 Critical judgements in applying accounting policies & Key sources of estimation uncertainty:

The preparation of the Group's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accounting disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying number of assets or liabilities affected in future periods.

Critical Judgements in applying accounting policies:

- (i) **Leases:** The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The Group revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

- (i) **Useful life of Property, Plant & Equipment (PPE)**
The Group reviews the estimated useful lives of PPE at the end of each reporting period.

- (ii) **Defined benefit plans** Defined Benefit Obligations (DBO)
Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.
- (iii) **Estimation of uncertainty relating to the Global health Pandemic on COVID 19** (Refer note 5.15)

5.2 Financial risk management objectives and policies

The group is exposed primarily to fluctuations in credit, liquidity and interest rate risks and foreign currency exchange rates, which may adversely impact the fair value of its financial instruments. The Group has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the Group.

Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The group's exposure to market risk is primarily on account of foreign currency exchange rate risk.

Price Risk

The Group is not exposed to any material price risk that could adversely affect the value of the group's financial assets or expected future cash flows.

Foreign currency risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities.

Considering the countries and economic environment in which the Group operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollars against the functional currency of the Group.

The Group evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020 (₹ in Crores)

The Group imports raw materials and finished goods from outside India as well as makes export sales to countries outside the territories in which they operate from. The Group is, therefore, exposed to foreign currency risk principally arising out of foreign currency movement against the Indian Currency. Foreign currency exchange risks are managed by entering into forward contracts against foreign currency vendor payables.

The Group's outstanding foreign currency exposure is as follows: (USD/Pounds/Euro in Crores)

Particulars	Liabilities as at		Assets as at	
	31 Mar'20	31 Mar'19	31 Mar'20	31 Mar'19
USD	0.64	0.79	0.03	0.00
Pounds	0.00	0.00	0.00	0.00
Euro	0.00	0.00	0.01	0.01

Foreign currency sensitivity analysis

The Group is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables.

As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between USD-INR currency pair, sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below:

USD sensitivity at year end	31 Mar'20	31 Mar'19
Receivables:		
Weakening of INR by 5%	0.11	0.00
Strengthening of INR by 5%	(0.11)	0.00
Payables:		
Weakening of INR by 5%	-	-
Strengthening of INR by 5%	-	-

Credit risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks.

Financial instruments that are subject to concentrations of credit risk principally consist of investments classified as loans and receivables, trade receivables, loans and advances, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Group result in material concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 670.35 Crores, and ₹ 555.29 Crores as of March 31, 2020, March 31, 2019 respectively, being the total of the carrying amount of balances with banks, bank deposits, trade receivables, other

financial assets and investments excluding equity and preference investments.

The Group's exposure to customers is diversified and no single customer contributes to more than 10% of outstanding accounts receivable as of March 31, 2020 (two as of March 31, 2019).

Financial assets that are neither past due nor impaired

Cash and cash equivalents, financial assets carried at fair value and interest-bearing deposits with corporate are neither past due nor impaired. Cash and cash equivalents with banks and interest-bearing deposits placed with corporates, which have high credit rating assigned by international and domestic credit-rating agencies.

Financial assets carried at fair value substantially include investment in liquid mutual fund units. With respect to Trade receivables and other financial assets that are past due but not impaired, there were no indications as of March 31, 2020, that defaults in payment obligations will occur except as described in note 3.6 on allowances for impairment of trade receivables. The Group does not hold any collateral for trade receivables and other financial assets. Trade receivables and other financial assets that are neither past due nor impaired relate to new and existing customers and counter parties with no significant defaults in past.

Trade receivables

Customer credit risk is managed by each business unit subject to the Group's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance. At 31 March 2020, the Group had 3 Customers (31 March 2019: 2 customers) that owed the Group more than 5% of the Total receivables, which accounted for approximately 20.15% (31 March 2019: 26.30%) of all the receivables outstanding.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed below. The Group does not hold collateral as security. The Group evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020 (₹ in Crores)

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Group's treasury department in accordance with the Group's policy. The cash surpluses of the Group are short term in nature and are invested in Liquid Debt Mutual funds and Bonds. Hence the assessed credit risk is low.

Liquidity risk

Liquidity risk refers to the risk that the Group cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity

and ensure that funds are available for use as per requirements.

The Group consistently generated sufficient cash flows from operations to meet its financial obligations as and when they fall due.

The table below summarizes the maturity profile of the Group's financial liabilities (excluding lease liability) based on contractual undiscounted payments and financial assets (excluding cash and cash equivalents) based on contractual undiscounted receipts:

5.5 Disclosures on Adoption of Ind AS 115:

The Group has adopted Ind AS 115 – 'Revenue from contracts with customers' in 2018-19. The adoption of this standard did not result in material change on the income statement and balance sheet of the Group as they did not result in any changes to the group's existing accounting policy except scheme expense incurred, incentives given to customers, reimbursement of taxes to customer and promotional coupon which have been reclassified from 'sales promotion expenses' within other expenses under Previous GAAP and netted off from revenue directly under Ind AS 115.

i) Disaggregation of Revenue:

5.6 Disclosures on Adoption of Ind AS 116:
Transition

On transition, the Group recognized lease liability and right of use asset on the initial application date at the present value of the remaining lease payments discounted using the lessee's incremental borrowing rate as at April 1, 2019. Accordingly, the comparative information in these Group's Financial Statements has been not been restated. The impact of the new standard in Group's Financial Statement is summarized and set out below

On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of ₹30.16 Crores, and a lease liability of ₹28.09 Crores. Ind AS 116 will result in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments. On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the right-to-use asset, and finance cost for interest accrued on lease liability.

The following is the summary of practical expedients elected on initial application:

1. Applied a single discount rate to a portfolio of leases of similar assets in similar economic environment with a similar end date
2. Applied the exemption not to recognize right-of-use assets and liabilities for leases with less than 12 months of lease term on the date of initial application
3. Excluded the initial direct costs from the measurement of the right-of-use asset at the date of initial application.

The weighted average incremental borrowing rate applied to lease liabilities as at April 1, 2019 is 9.15%.

Following are the changes in the carrying value of liabilities for the year ended March 31, 2020, (for the changes in right of use assets please refer note 3.1B):

Sensitivity analysis of significant actuarial assumption

	Gratuity				Compensated Absences			
	31-Mar-20		31-Mar-19		31-Mar-20		31-Mar-19	
	increase	decrease	increase	decrease	Increase	decrease	increase	decrease
Discount rate (-/+ 1%)	19.73	22.83	17.63	20.38	9.14	10.37	8.91	9.99
Salary growth rate (+/- 1%)	22.84	19.69	20.39	17.60	10.37	9.13	9.99	8.90

These plans typically expose the Group to actuarial risks such as: investment risk, interest rate risk, longevity risk and salary risk.

Investment risk	The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. When there is a deep market for such bonds; if the return on plan asset is below this rate, it will create a plan deficit. Currently, for these plans, investments are made in gratuity fund maintained by the Life Insurance Corporation of India.
Interest risk	A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the return on the plan's investments.
Longevity risk	The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
Salary risk	The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

5.11 Trade Payables-Micro and Small Enterprises:

Based on data received from Vendors and information available with us, the amount due to MSMED is ascertained as ₹ 31.72 Crores (PY: ₹ 19.44 Crores). There were no over dues at any point in time and hence no interest is paid/payable.

5.12 The group has considered the possible effects that may result from COVID 19 on the carrying amount of Goodwill and has tested the Goodwill for Impairment as on 31st March 2020(as required to be done annually as per IndAS- 36).It assessed the recoverable amount of the relevant cash generating unit to which the Goodwill relates as the higher of Fair value less cost of disposal and the value in use. This has resulted in an impairment charge of INR.11.69 crores in respect of Goodwill being recognized as an exceptional charge. The company continues to assess and take steps as appropriate to enhance profitability and address the potential impact of COVID epidemic on the business.

The said assessment includes significant assumptions such as discount rate, likely impact of COVID-19 on the said operations and its impact on the margins.

The Calculations use cash flow projections based on financial budgets approved by the management covering a five-year period.

Description	Assumptions
Fixed cost inflation	3.00%
Employee cost inflation	2.00%
Pre Tax weighted average cost of capital	11.90%
Terminal period growth rate	4.83%
Budgeted gross margin	38.00%

Approach for the assumptions considered above

- Cost inflation/budgeted margin:
 - Based on past performance & management's expectations for the future
 - Fixed cost of CGUs, which do not vary significantly with sales volume or prices. Management forecasts these costs based on the current structure of the business, adjusting for inflationary increase but not reflecting any future restructurings or cost saving measures
- Pre-tax discount rate reflects specific risks relating to the relevant CGU and the place of business in which they operate
- Long term growth rate is the weighted average growth rate used to extrapolate the cash flows beyond the budget period.

5.13 Certain figures apparently may not add up because of rounding off, but are wholly accurate in themselves.

5.14 Directors of holding company pleased to recommend a dividend of ₹ 20/- per share (Previous year- ₹ 30/- per share) which entails an out lay of ₹ 27.72 Crores (PY ₹ 41.58 Crores) by way of Dividend and ₹ NIL (PY ₹ 8.55 Crores) by way of Dividend Distribution Tax.

5.15 Impact of COVID-19

The Group does not foresee any large-scale contraction in demand in the long run (though there would be short term impact), which could result in significant downsizing of its employee base rendering the physical infrastructure redundant. The leases that the Group has entered with lessors towards properties used as sales offices are long term in nature and no changes in terms of those leases are expected due to the COVID-19. The Group has been affected by the impact of Covid-19, with a drop in sales inevitably resulting from the global downturn in sales of non-grocery related products.

The directors have taken appropriate action in order to ensure the safety of all employees and to mitigate the impact on the Group. This has included closing the office temporarily. The ongoing impact of the current situation is as yet unknown, therefore the operating budget for the coming financial year has been rewritten based on information currently available, and cash flow is being closely monitored to ensure that the Group is able to pay both staff and supplier obligations as they become due.

The impact on future revenue streams could come from

- a. prolonged lock-down situation resulting in its inability to deploy resources at different locations due to restrictions in mobility
- b. customers postponing their discretionary spend due to change in priorities

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH 2020

The Group has assessed that customers in large format stores are more prone to immediate impact due to disruption in supply chain, shutdown of malls and drop in demand. The Group has considered the impact to the extent known and available currently. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration. The Group has also assessed the impact of any delays and inability to meet contractual commitments. However the Group is constantly exploring new opportunities arising out of this adversity like focusing on sales through e-commerce.

Estimation uncertainty relating to the global health pandemic on COVID-19

In assessing the recoverability of property, plant & equipment, intangible assets receivables, investments, the Group has considered internal and external information up to the date of approval of these financial statements including credit reports and economic forecasts. The Group expects to recover the carrying amount of these assets.

The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements and the Group will continue to closely monitor any material changes to future economic conditions

Other risk - Impact of COVID-19

Financial assets carried at fair value as at March 31, 2020 is ₹ 294.70 crore and financial assets are carried at amortised cost as at March 31, 2020 is ₹ 322.66 crore. A significant part of the financial assets are classified as Level 1 having fair value of ₹ 294.70 crore as at March 31, 2020. The fair value of these assets is marked to an active market which factors the uncertainties arising out of COVID-19. The financial assets carried at fair value by the Group are mainly investments in Mutual Funds, liquid debt securities and accordingly, any material volatility is not expected. Financial assets of ₹ 57.57 crore as at March 31, 2020 carried at amortised cost is in the form of cash and cash equivalents, bank deposits and earmarked balances with banks where the Group has assessed the counterparty credit risk. Trade receivables of ₹ 278.10 crore as at March 31, 2020 forms a significant part of the financial assets carried at amortised cost which is valued considering provision for allowance using expected credit loss method. In addition to the historical pattern of credit loss, we have considered the likelihood of increased credit risk and consequential default considering emerging situations due to COVID-19.

This assessment is not based on any mathematical model but an assessment considering the nature of verticals, impact immediately seen in the demand outlook of these verticals and the financial strength of the customers in respect of whom amounts are receivable.

The Group closely monitors its customers who are going through financial stress and assesses actions such as change in payment terms, discounting of receivables with institutions on no-recourse basis, recognition of revenue on collection basis etc., depending on severity of each case. Basis this assessment, the allowance for doubtful trade receivables of ₹ 16.47 crores as at March 31, 2020 is considered adequate.

5.16 The financial statements were approved by the Board of Directors and authorized for issue on 25th June 2020.
