NOTES:

This AGM is convened being held through Video Conferencing ("VC") / Other Audio-Visual Means ("OAVM") pursuant to General Circular numbers 14/2020, 17/2020, 20/2020, 2/2021 and 2/2022 issued by the Ministry of Corporate Affairs (MCA) and SEBI Circular number SEBI/HO/CFD/CMD2/CIR/ P/2022/62 issued by the Securities and Exchange Board of India (SEBI) (hereinafter collectively referred to as 'Circulars'), which allow the companies to hold AGMs through VC/OAVM considering the present COVID-19 pandemic.

1. In compliance with the aforesaid Circulars, this AGM Notice along with the Annual Report for the year 2021-22 is sent only through electronic mode to those Members whose E-mail addresses are registered with the Company/Depositories. The AGM notice and Annual Report of the Company are made available on the Company's website at www.ttkprestige.com and also on the website of the Stock Exchanges where the shares of the Company have been listed viz., BSE Limited - www.bseindia.com and National Stock Exchange of India Limited - www.nseindia.com. The Company has published a Public Notice by way of advertisement in Tamil Language, the principal vernacular language of Tamilnadu and in English language in an English newspaper with the required details of 66th AGM, for information of the Members.
2. The Company has availed the services of KFin Technologies Limited, (KFintech) Registrar and Share Transfer Agent of the Company, as the authorised agency for conducting the AGM through VC/OAVM and providing e-voting facility.
3. Though a member entitled to attend and vote at the meeting, is entitled to appoint one or more proxies (proxy need not be a member of the company) to attend and vote instead of himself / herself, the facility of appointment of proxies is not available as this AGM is convened through VC/OAVM pursuant to the Circulars.
4. Members attending the AGM through VC/OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
5. In case of joint holders only such joint holder who is higher in the order of names will be entitled to vote during the meeting.
6. The explanatory statement pursuant to Section 102(1) of the Act, which sets out details relating to Special Businesses at the meeting, is annexed hereto.
7. The Register of Members and the Share Transfer Books of the Company will remain closed on July 23, 2022 for the purpose of AGM and payment of dividend.
8. The final dividend, as recommended by the Board of Directors of the Company, if declared at the Annual General Meeting, will be paid on and from August

17, 2022, to those Members whose names stand registered on the Company's Register of Members:

- a) as Beneficial Owners as at the end of business hours on Friday, July 22, 2022 as per the list to be furnished by National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) in respect of shares held in dematerialized form.
 - b) as Members in the Register of Members of the Company after giving effect to valid share transfers lodged with the Company, on or before Friday, July 22, 2022.
9. Members are requested to note that dividends not encashed or remaining unclaimed for a period of 7 (seven) years from the date of transfer to the Company's Unpaid Dividend Account, shall be transferred, under Section 124 of the Companies Act, 2013, to the Investor Education and Protection Fund ("IEPF"), established under Section 12 of the Companies Act, 2013. Further, pursuant to the provisions of Section 124 of the Act and IEPF Rules, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs.

The Members / claimants whose shares, unclaimed dividend, sale proceeds of fractional shares etc. have been transferred to IEPF may claim the shares or apply for refund by making an application to IEPF Authority in Form IEPF 5 (available on www.iepf.gov.in) along with requisite fee as decided by it from time to time. The Member / claimant can file only one consolidated claim in a financial year as per the IEPF Rules.

It is in the Member's interest to claim any un-encashed dividends and for future, opt for Electronic Clearing Service, so that dividends by the Company are credited to the Member's account on time.

10. Members who have not yet encashed the dividend warrant(s) from the financial year ended March 31, 2015 (as detailed below) onwards (as detailed below) are requested to forward their claims to the Company's Registrar and Share Transfer Agents. It may be noted that once the unclaimed dividend is transferred to IEPF as above, no claim shall rest with the Company in respect of such amount.

13. Members are requested to note that, in order to avoid any loss/ interception in postal transit and also to get prompt credit of dividend through National Electronic Clearing Service (NECS) / Electronic Clearing Service (ECS) they should submit their NECS / ECS details to the Company's Registrar and Share Transfer Agents.

The requisite NECS /ECS application form can be obtained from the Company's Registrar and Share Transfer Agents. Alternatively, Members may provide details of their bank account quoting their folio numbers, to the Company's Registrar and Share Transfer Agents to enable them to print such details on the dividend warrants.

14. As part of the green initiatives, the Members who have not yet registered their E-mail addresses are requested to register their E-mail addresses with their DPs in case the shares are held by them in electronic form and with KFintech in case the shares are held by them in physical form. Upon such Registration, all communication from the Company/RTA will be sent to the registered E-mail address.
15. As required by Regulation 36 of Securities and Exchange Board of India (Listing Obligation and Disclosure Requirements) Regulations, 2015 (the Listing Regulations) and Secretarial Standard- 2 on General Meetings issued by the Institute of Company Secretaries of India, the relevant details of all Directors seeking appointment or re-appointment at this Annual General Meeting are given in the annexure to the Notice of the Annual General Meeting.
16. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their

nomination are requested to register the same by submitting Form No. SH-13. Members are requested to submit these details to their DP in case the shares are held by them in electronic form, and to the RTA, KFin Technologies Limited, in case the shares are held in physical form.

17. As per Regulation 40 of the SEBI Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialised form with effect from April 1, 2019. SEBI vide its notification dated January 24, 2022 further notified that transmission or transposition of securities held in physical or dematerialised form shall be effected only in dematerialised form. To eliminate all risks associated with physical shares, the Members are requested to convert their physical holdings into dematerialized form. In this regard, the Members may contact the Depository Participant of their choice.

18. Effective April 1, 2020, dividend income will be taxable in the hands of shareholders. Hence the Company is required to deduct tax at source [TDS] from the amount of dividend paid to shareholders at the prescribed rates. A Resident individual shareholder with PAN and who is not liable to pay income tax can submit a yearly declaration in Form No.15G/15H, to avail the benefit of non-deduction of tax at source by email to einward.ris@kfintech.com on or before July 22, 2022. Further no tax shall be deducted on the dividend payable to a resident individual shareholders if the total amount of dividend to be received from the Company during the Financial Year 2022-23 does not exceed 5,000/-. Shareholders may note that in case PAN is not updated with the Depository Participant/Register of the Company, the tax will be deducted at a higher rate of 20%.

Non-resident shareholders can avail beneficial tax rates under Double Tax Avoidance Agreement [DTAA] i.e. Tax treaty between India and their country of residence. Non- resident shareholders are required to provide details on applicability of beneficial tax rates and provide following documents:

- Copy of PAN card if any, allotted by Indian Income Tax Authorities duly self-attested by the member.
- Copy of Tax Residency Certificate [TRC] for the FY 2021-22 obtained from the revenue authorities of country of tax residence duly attested by the member.

- The Firm uses technology, data analytics and audit software in conducting audits.

The re-appointment is subject to approval of the shareholders of the Company.

In accordance with the provisions of Sections 139, 141 and other applicable provisions, if any, of the Companies Act, 2013 (“the Act”) read with the Companies (Audit and Auditors) Rules, 2014 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements)

Regulations, 2015 (“Listing Regulations”), M/s PKF Sridhar & Santhanam LLP Chartered Accountants, have provided their consent and eligibility certificate to that effect, their re-appointment, if made, would be in compliance with the applicable laws.

The fees paid to M/s PKF Sridhar & Santhanam. LLP, Chartered Accountants, for the financial year 2021-22 is ₹ 50.82 plus GST and ₹ 4.84 lakhs per annum for quarterly Limited Review. The remuneration to be paid to Statutory Auditors during the second term shall be mutually agreed between the Board of Directors and Statutory Auditors, from time to time.

The Board recommends the passing of the resolution set out at Item No.4 of the accompanying Notice.

None of the Directors or Key Managerial Personnel of the Company and their relatives are concerned or interested, financially or otherwise, in the Ordinary Resolution.

Item No. 5: Ratification of Remuneration Payable to Cost Auditor for Financial Year 2022-23

The Board at its meeting held on May 28, 2022, approved the appointment of Ms. Jayanthi Hari, Cost Accountant, to conduct the audit of cost records of the Company for the financial year ending March 31, 2023 at a remuneration of ₹ 4,00,000 plus applicable taxes and out of pocket expenses, as recommended by the Audit Committee of the Company.

In accordance with the provisions of Section 148 of the Act read with the Companies (Cost Records and Audit) Rules, 2014, the remuneration payable to the Cost Auditors is required to be ratified by the members of the Company. Accordingly, ratification by the members is sought to the remuneration payable to the Cost Auditors for the financial year ending March 31, 2023 by passing an Ordinary Resolution as set out at Item No. 5 of the Notice.

The Board recommends the Ordinary Resolution at Item No.5 for approval by the Members.

None of the Directors or Key Managerial Personnel of the Company or their relatives is concerned or interested, financially or otherwise, in this resolution.

Item No. 6: Remuneration Payable to Mr. T.T. Jagannathan – Non-Executive Chairman

Mr. T.T. Jagannathan is a Non-Executive Chairman of the Company and he is entitled to and is being paid the following remuneration as approved by the shareholders by a Special Resolution passed through Postal Ballot on May 3, 2019:

- a. Remuneration per month - ₹ 5,00,000.
- b. Commission of 2% of the net profits of the Company as computed under Sec.198 of the Companies Act, 2013.
- c. Perquisites, medical insurance, company-maintained car with Driver and other benefits as per the rules of the Company.

Mr. T.T. Jagannathan has been at the helm of TTK Prestige Limited since 1975 and has substantially contributed to the growth of the Company and led it to leadership levels in Small Appliance Industry and reach a market cap beyond one billion dollars. Considering his extraordinary contributions, the Board of Directors at the meeting held on March 29, 2019 considered the recommendation of Nomination and Remuneration Committee and unanimously approved the proposal of Mr. T.T. Jagannathan to continue as Non-Executive Chairman of the Company.

Further, the Board also approved the proposal of Mr. T.T. Jagannathan to engage with the Company in order to guide and mentor with his expertise in innovation and rich experience. Therefore, the Board approved the remuneration fixed by the Nomination and Remuneration Committee.

The shareholders had also accorded approval on May 3, 2019 pursuant to Regulation 17(6) (ca) of SEBI LODR for payment of the above remuneration to Mr. T.T. Jagannathan notwithstanding the same may exceed 50% of the aggregate remuneration payable to all non-executive directors. However, the approval pursuant to Regulation 17(6)(ca) of SEBI LODR is required to be obtained from the shareholders every financial year. Therefore the resolution seeks the approval

of the shareholders for payment of said remuneration to Mr. T.T. Jagannathan for the financial year ending March 31, 2022 notwithstanding the remuneration being paid to him exceeds 50% of the aggregate remuneration paid to all the non-executive directors during the year 2021-22. The overall Remuneration of Mr. T.T. Jagannathan for FY 2021-22 is ₹ 887 lakhs.

The Board recommends the Special Resolution at Item No.6 for approval by the shareholders.

Mr. T.T. Jagannathan, as the resolution relates to his remuneration and Mr. T.T. Raghunathan and Dr. T.T. Mukund being relatives in terms of Section 2(77) read with Rule (4) of Companies (Specification of Definitions Details) Rules 2014, may be deemed to be interested or concerned in the resolution and no other director or key managerial personnel or his relative is interested or concerned in the resolution.

The resolutions at Items 5 & 6 are considered unavoidable by the Board of Directors in terms of the General circular no. 20/2020 and 02/2022 issued by the MCA, and accordingly form part of the Notice of this AGM.

REVIEW OF PERFORMANCE / HIGHLIGHTS

- The economy that was severely impacted during most part of the first quarter due to second wave of Covid-19 pandemic, showed recovery from second quarter of the year. Again, it showed some strains from end December 2021 due to outbreak of omicron which was compounded by geo-political conflict since end February 2022. Except for Q1 where online channel was the most active due to partial lockdown, all channels became active from Q2 including rural channel. Unfortunately, again in Q4, the Omicron outbreak was a dampener. There was also pressure on consumer spending due to inflation as well as alternate avenues for spending like travel & tourism, fashion etc. The pent-up demand factor was also missing as compared to the previous year. Against this backdrop your Company by a judicious mix of products, channel presence and market penetration achieved a growth of 24.5% registering an all-time high top-line of ₹ 2532 crores. Export business grew by 37% to reach an all-time high of ₹98 crores in spite of container shortage and other logistic constraints.
- Your Company remained focussed on digitalization of sales process and innovative marketing strategies which helped it to maintain robust sales during the year. Your company has enlarged its customer base in

rural, large-format and online channels thus de-risking from dependence on a few customers in each of these channels.

- Your company launched various innovative products in all categories during the year including Svachh range of Gas Stoves. Pressure cooker category on Svachh platform continues to gain momentum.
- The Year witnessed a continuous increase in costs of all inputs – be it commodity or power & fuel or movement of goods. Your Company also nursed idle costs to the tune of ₹ 4 crores during Q1 due to the lock-down caused by the second wave of Covid. However, your Company was able to maintain a healthy margin through improved efficiencies in operations and appropriate price increases without impacting customer sentiments and market share. Despite pressures on various costs of operation, your Company delivered an all-time high EBITDA (before exceptional items) of ₹ 441 Crores with a growth of 29% (PY ₹ 342 Crores) and Profit before tax at ₹ 396 Crores with a growth of 26% (PY ₹ 313 Crores). Operating EBITDA margin significantly improved to 17.4% (PY 16.8%).
- The depreciation charge was higher at ₹ 41.7 crores (PY ₹ 37.9 Crores) due to investment in fixed assets.
- The Net Profit after Tax was higher at ₹ 293.65 Crores (PY ₹ 235.14 Crores).
- The standalone EPS (face value of ₹ 1/-) was at ₹ 21.18 (PY ₹ 16.96); a growth of 24.9%
- As stated in the past years, your company does not follow a stand-alone margin led policy but is focussed on growth with a fair long-term return on capital employed. Operating ROCE stood at 41.7% (PY 38.2%).
- The Company is debt-free and carried a comfortable free cash of around ₹ 700 Crores (including short term Liquid investments) as on March 31, 2022.
- The consolidated turnover and profit before tax of the Company and the UK subsidiaries amounted to ₹ 2723 Crores (PY ₹ 2194 Crores) and ₹ 411 Crores (PY ₹ 323 Crores) respectively.
- The factory at Khardi which was under lock-out since November 2020 resumed its operation by end of August 2021 pursuant to a long-term settlement entered with the workers with improved productivity norms.
- As you are aware your Company took a decision to stop import of products from China effective October 2020 and developed most of those products with manufacturers in India. While this had some impact during last year, the process of indigenisation has been completed during the year. Your company has taken

several steps to augment capacity, maximise existing utilisation of machine and also improve efficiencies.

- During Q4 your Company made a strategic investment in Ultrafresh Modular Solutions Ltd (Ultrafresh) engaged in the business of Modular Kitchens and kitchen appliances having many franchisee outlets across India.
- Your Company, during December 2021, split the face value of the equity shares of the Company from ₹ 10/- per share to ₹ 1/- per share to facilitate larger shareholder base, to increase the liquidity and to make the shares more affordable to investors.

Your Board of Directors consider the performance as admirable given the tough external environment. Your Company continues to maintain its leadership share in value terms across major product categories.

During the year in February 2022 considering the improvement in operating profits, your directors paid an interim dividend of ₹ 2.50 per share for FY 22. Your directors are happy to recommend a final dividend of ₹ 3.50 per share for FY 22 totalling to ₹ 6/- per share of face value ₹ 1/- each for FY 22 including the interim dividend already paid (PY ₹ 5/- per share of face value ₹ 1/- each).

A detailed analysis is provided under the section 'Management's Discussion and Analysis' forming part of this Director's Report.

MANAGEMENT'S DISCUSSION AND ANALYSIS

A. ECONOMY / INDUSTRY SCENARIO

General Economy: As mentioned in the highlights, the pace of economic recovery was impacted by the recurrence of Covid as well as the geo-political tensions. The economy had also seen unprecedented price increases in various commodities impacting the prices for all the materials. Private Final Consumption index continues to be lower than the FY 19-20 levels. Both wholesale and consumer price indices reflect high inflationary trends. India's GDP grew by 8.7% in 2021-22, a tad lower than the 8.9% officially estimated earlier, with growth slipping to 4.1% in the last quarter from 5.4% in the third quarter, as per provisional national income estimates. While globally many countries are still reeling under the impact of Covid 19 and facing recession, India has successfully stayed above the crisis through effective vaccination programme and management of the pandemic. Good monsoon has aided the agricultural sector. The travel and hospitality industries have gained momentum from the second half of FY 22. However, the Russia- Ukraine conflict is causing uncertainties as well as inflationary trends in items of day-to-day consumption. Further, container shortages and resultant higher freight costs continue to be a big impediment to shipments for exports as well as imports.

Industry: Your Company predominantly operates in the Kitchen and Home Appliances segment with a wide range of product categories. The product categories broadly consist of Pressure Cookers, Cookware, Gas Stoves, and Domestic Kitchen Electrical Appliances. Your Company entered the Cleaning solutions from FY 17-18. The market for all these segments consists of organized national brands, regional brands as well as unorganized players. Except for Pressure Cookers, Cookware and Induction Cooktops, the market for the rest of the key product lines is fragmented and is shared by several players. Over the last five years or so many players both big and small have been entering as well as exiting the appliance categories and the churn is still going on. Reorganization, mergers/acquisitions etc are also seen in this industry. With E-Commerce becoming an active channel over the last few years it has become a platform for intense competition as even regional and small players could reach out to pan India through this channel.

Consumer/Channel Scenario: The work-from-home norm that came into vogue in FY 21 is gradually giving way to work-from-office or a hybrid structure. Thus, pent-up demand as well as home improvement intensity seen in FY 21 is gradually tapering off and hence the demand pull is settling at normal levels that prevailed during pre-covid times. The inflation is impacting the consumption at lower-income

levels while the demand from upper middle-income group onwards is sustaining. Value added innovative products are gaining ground. The revival in the real-estate construction industry is aiding demand from new homes.

While the online channels reached their peak during pandemic times, the off-line channels are regaining their space. The footfalls have increased in the off-line markets whether big or small. The organized off-line market is seeing uptrends and off-line players also operate on digital platforms. The consumer now has several choices in terms of channels, products, and price points. Competition, both inter-channel and intra-channel, is getting increasingly intense. Allocation of inventory to various channels with healthy and realistic price-points is becoming a challenge.

Export Market: Though the global market currently is faced with recession due to pandemic and geophysical conflict, India is becoming an attractive destination for sourcing. The 'Make in India' initiative and infrastructure push are expected to drive expansion of manufacturing base India to tap the global market.

Your Company: Even under these uncertain conditions your Company maintained its leadership position in key categories like Pressure Cookers, Cookware, Value added Gas Stoves, Induction Cook top, Kettles, etc and is steadily improving its market share in the Mixer Grinder segment. Indigenisation of some small appliances hitherto imported from China has stabilized. The models launched under Svachh platform viz. Pressure Cookers and Gas Stoves did very well during the year. Your Company is constantly investing in innovation and in augmenting manufacturing and sourcing capacities through automation and building additional facilities. Most importantly your Company has maintained healthy relations with all its channel partners – whether online or offline and has proactively minimised the conflict among the various channels without compromising on product offerings and without succumbing to predatory pricing trends. Your Company maintains significant presence in all channels – traditional retail, online, large format stores, rural, institution, CSD etc besides your Company's Prestige Xclusive network spread across India.

Your Company will continue to focus on product innovation and differentiation coupled with innovative distribution and digitalization of sales and marketing processes to stay ahead in the marketplace.

B. ANALYSIS OF PERFORMANCE:

1. KITCHEN & HOME APPLIANCES:

The products include Pressure Cookers, Cookware, Kitchen Electrical Appliances, Gas Stoves, and Home Appliances. The turnover of these product categories is given in the following table:

(₹ in Crores)

	2021-22			2020-21		
	Domestic	Export	Total	Domestic	Export	Total
Pressure Cookers (including Microwave Pressure Cookers)	740.18	45.80	785.98	562.57	38.02	600.59
Cookware	370.27	46.45	416.72	302.48	29.71	332.19
Gas Stoves	340.06	0.41	340.47	267.52	1.08	268.60
Mixer Grinder	245.18	4.37	249.55	219.08	1.49	220.57
Other Kitchen/ Home Appliances	597.15	0.28	597.43	471.82	0.20	472.02
Cleaning Solutions	43.66	-	43.66	50.08	-	50.08
Others	97.56	0.78	98.34	88.15	0.85	89.00
Total	2434.06	98.09	2532.15	1961.70	71.35	2033.05

- As mentioned in the Highlights, notwithstanding external factors impacting Q1 and Q4 your Company was able to register significant growth by a judicious mix of products, channel presence and market penetration. The online channel continued to be active during the year though it did not grow at the same pace as in the last year.
- Your Company continued to manage its trade policy with general trade as well as modern format stores cautiously to improve working capital efficiencies across channels.
- Except 'Cleaning Solutions' all other categories registered growth both in volume and value terms.
- The Cleaning Solutions category has shown a decline during the year primarily due to higher base in FY 21 aided by 'work from home' concept driven by pandemic. Your Company has taken appropriate corrective actions to reverse this trend in the coming year.
- During the year under report your Company introduced around 150 new SKUs covering Pressure Cookers, Induction Cook tops, Mixer Grinders, Rice Cookers, Gas Stoves and other Small Electric/Non-Electric Appliances and Cleaning Solutions.
- Judge brand as a tactical brand is progressing well and contributed around ₹ 33 Crores to Sales (PY ₹ 23 crores).
- In spite of nursing some idle costs during Q1, and absorbing unprecedented material price increases, various operating ratios were maintained at healthy/improved levels ensuring improvement in EBITDA margin

(before exceptional items) at 17.4% as against 16.8% in the previous year. None of the key financial ratios (inventory turnover, receivable turnover, net-current asset turnover, margins and return on net worth) had a variance of 25% or more as compared to the previous year.

- h. Operating ROCE stood at 41.7% (PY 38.2%) on expanded manufacturing asset base. Your Company continued to be debt free and carried a sizeable free cash balance of over ₹ 700 Crores at the year end.
- i. Your Company has over the last few years substantially reduced its dependence on imports which has a positive impact on working capital efficiencies. This was partially impacted by the increase in raw material inventory bought to manage the continuing price increases on materials.
- j. Operating working capital efficiencies improved during the year notwithstanding the policy to offer friendlier terms to vendors to ensure operational liquidity to them. The net current asset turnover has improved from 4.37 to 5.19.
- k. Prestige Xclusive network was consolidated and rationalized where necessary and new outlets were added. The number of outlets as at March 31, 2022 was 665 (PY 620). The network now covers 28 States and 374 Towns. The spread of the network is also evenly distributed between Metros, Mini-Metros, Tier 1, Tier 2 and Tier 3 cities.
- l. Service network was significantly expanded to 504 centres (PY - 464 centres).

2. OVERSEAS SUBSIDIARY & CONSOLIDATED RESULTS:

The operating subsidiary Horwood Homewares Limited (HHL) achieved a sale of £ 18.8 million (PY £ 16.2 million) a growth of 16% against the backdrop of Brexit, COVID-19 pandemic, and geo-political tensions. Operating EBITDA was £ 2.0 million (PY £1.6 million) a creditable increase of 25%. The subsidiary introduced new products and strengthened its presence in the online channels during the year which helped it perform better than most of its peers and achieve a better profitability over the previous year. During the year, the subsidiary migrated to a new ERP system to support the expansion of the business. This is expected to improve the operational efficiencies resulting in better customer experience in the coming years.

3. ASSOCIATE COMPANY

During the year, your Company entered into an agreement for making strategic investment in Ultrafresh Modular Solutions Ltd (Ultrafresh) engaged in the business of Modular Kitchens and kitchen appliances having many franchisee outlets across India. The total investment will be to the tune of around ₹ 30 Crores towards primary as well as secondary acquisition. Pursuant to this agreement during Q4 your Company made an investment of ₹ 20 crores through primary and secondary modes to acquire around 41% shareholding in the Company rendering Ultrafresh an Associate as per Accounting Standards effective from February 16, 2022. Being an Associate Company from February 16, 2022, the loss of Ultrafresh for the period from February 16 to March 31, 2022 viz. ₹ (0.59) Crores is consolidated appropriately in the consolidated financials proportionate to the voting share of your Company in Ultrafresh.

The consolidated financials are attached to this Annual Report separately.

C. OUTLOOK & OPPORTUNITIES:

- a. The Reserve Bank of India has projected a GDP growth of 7.8% for FY 23 but with a caveat that the continued Russia-Ukraine conflict and rising fuel prices can have an impact on this projection. The volatility in commodity prices cannot be ruled out. The near-term outlook is uncertain for growth prospects. Though your Company is registering growth during April 22 and May 22, the same is with reference to a lower base.
- b. The Union Budget for FY 23 has laid emphasis on governmental investment and capital expenditure in several projects especially Housing and Urban Planning Sector. If these are implemented, even amidst the current situation the outlook can be on the positive side. Recent reduction of duties on fuel is expected to improve the private final consumption in the coming quarters.
- c. As your Company is in the home and kitchen appliance domain, the hybrid mode of working preferred today by most of the service industries may support the need for improving kitchens and replacing appliances and thus support the demand for such products. The improvement in the real estate sector, rise in demand on account of gifting during marriage and other occasions which was subdued due to restrictions on gatherings, may further support the demand. The revival of the travel and hospitality industry will trigger more employment opportunities yielding a larger customer base.

- d. Your Company, as always, focuses on improvement in efficiencies and management of critical costs to deliver decent profits even if growth may be impaired.
- e. Your company is comparatively better placed owing to its brand salience, exclusive retail network across India besides strong presence in every other channel that reaches the end consumer. Your company is debt-free, and all its manufacturing and sourcing outfits are in operational conditions with adequate human resource and thus can increase supplies to the market at short notice.
- f. India's underlying economic fundamentals are strong and despite this turbulence the impact on the long-term outlook will be marginal. However, it will be largely dependent on early resolution of geo-political conflicts and easing of the commodity prices including fuel. If the projected GDP growth of 7.8% is realized, your Company is confident of registering a growth in mid-teens.
- g. The increased tendency among global brands to shift a sizeable portion of sourcing outside China with India as an alternative is continuing. Your Company's export customers have increased their sourcing from the Company during FY 22 and we expect this to further strengthen during FY 23.

D. MEDIUM & LONG-TERM STRATEGY:

- a. As the members are aware your Company has adopted an expansive Vision – To Delight Home Makers with Innovation and To make Company's products available at every home. The focus is in providing a solution rather than just a product.
- b. Your Company based on this vision had developed strategies to increase its product base and customer base across India both rural and urban to double the turnover in about 5 years from the base of FY 21.
- c. The blueprint that has been prepared is still relevant even under the current uncertain conditions and some tweaking has been in tune with the changed conditions.
- d. Shareholders are aware that your Company operates out of its core strengths of brand, innovation, design, manufacturing, distribution, sourcing, and service capabilities and more importantly 'Customer Engagement' and will continue its efforts to further fortify these strengths.
- e. In the medium and long-term, your Company expects to maintain a healthy EBITDA margin and Return on Capital Employed subject to commodity prices remaining stable within a range and the Covid-19 pandemic do not reoccur severely as in

past 2 years. It is also dependent on the easing of geo-political tensions.

E. THREATS

While there are vast opportunities in the Domestic Market, threats can continue in the form of new entrants or existing regional brands causing disruptions through unrealistically low prices due to pressure from some channels. As the entry barriers are low, any lag in innovation can impact growth. Unprecedented rise in commodity prices is also a major threat as it may not be possible for your Company to pass on the cost increases to consumers in full. Your Company pursues a dynamic cost management process to ensure healthy margins at EBITDA levels as demonstrated in the last couple of years.

F. RISKS AND CONCERNS

The various general economic risks and concerns which can impact your Company have already been outlined in the preceding sections. The concerns largely centre around external factors.

G. RISK MANAGEMENT

Your Company has a Risk Management Committee in place as required under SEBI (LODR) Regulations the details of which are provided in the Report on Corporate Governance.

Your Company has developed and implemented a Risk Management Policy which includes identification of elements of risk, if any, which in the opinion of the Board, may threaten the existence of the Company.

Your Company has a risk identification and management framework appropriate to the size of your Company and the environment under which it operates. The process involves identifying both external and internal risks and the readiness to respond to extreme risks like calamities and disasters.

Risks are being continuously identified in relation to business strategy, business continuity/contingency plans, operations and transactions, statutory / legal compliance, financial reporting, information technology system, cyber security and overall internal control framework. In line with the recently notified amendments to the SEBI (LODR) Regulations the scope includes sustainability factors-environment, social and governance.

Your Company is utilizing the services of independent professional management auditors for advising the Company on a continuous basis on contemporary risk management framework appropriate to the size and operations of the Company. They are also carrying out risk audit on a periodical basis.

Your Board is periodically reviewing the broad risk framework to ensure that there is a dynamic process to capture and measure key elements of risks.

H. CYBER SECURITY:

The new world reality is cyber-physical, as people, assets and technology increasingly combine due to macro trends driven by demographics, economics, and geopolitics. This is a time of extraordinarily high volatility, diverse uncertainties with an increase in cyber threats & risks. In addition, acceleration on Digital and transformation programs, there is emergence of new cyber threats on progressive organisations, like us!

Your Company has devised cyber resilience strategies to not only defend our organisation from above uncertainties, but gone ahead to next level of combat, considering ever-changing world of cyber threats. We are establishing Cyber Security hygiene to equip our organization with effective defence and more resistant to threats.

I. SHARE CAPITAL

The paid-up equity share capital as on March 31, 2021, was ₹ 13.86 Crores (PY ₹ 13.86 Crores).

During the year approval of members were obtained for Sub-Division / Split of Equity Shares of the Company from face value of ₹ 10/- each into ₹ 1/- each to facilitate larger shareholder base, to increase the liquidity and to make the shares more affordable to investors. The memorandum of association of the Company was also amended for this purpose.

Accordingly, the Authorised Capital of your Company changed from ₹ 15 crores divided into 1,50,00,000 equity shares of ₹ 10/- each to ₹ 15 crores divided into 15,00,00,000 equity shares of ₹ 1/- each.

J. FINANCES

Your Company continues to generate substantial post-tax operating free cash flows and the same have been applied to meet capital expenditure besides other uses including investments in Ultrafresh Modular Solutions Limited, and payment of dividend. Your Company on a standalone basis continued to be debt-free and at the end of the year carried cash and liquid investments of around ₹ 700 Crores after investments in Ultrafresh Modular Solutions Limited to the tune of ₹ 20 Crores.

K. CAPITAL EXPENDITURE PLANS

Your Company has spent about ₹ 42 crores in FY 22 including automation and establishing additional lines. The capex for FY 23 is estimated at around ₹ 70 crores including normal capex, logistics and capacity augmentation.

L. INVESTMENTS

During the year, your Company invested an amount of ₹ 20 Crores in M/s Ultrafresh Modular Solutions Limited through primary and secondary acquisition for a shareholding of around 41% in that company. Other than this your Company carries short-term investments in mutual funds as a part of treasury operations as mentioned in para-J.

M. INTERNAL CONTROL SYSTEMS

Your Company has necessary Internal Control Systems in place which is commensurate with the size, scale, and complexity of its operations. Your Company is continuously making improvements in internal control systems keeping in view the increasing level of activities. Independent team of Internal Auditors/ Management Auditors are carrying out internal audits and advising the management on strengthening of internal control systems. The reports are periodically discussed internally. Significant audit observations and corrective actions thereon are presented to the Audit Committee.

N. DEVELOPMENTS IN HUMAN RESOURCES

In line with the Long-Range Plan, your Company has implemented strategic HR initiatives covering competency development, talent management, leadership development, succession management etc. The in-house Human Resource Department is constantly being strengthened. A host of people development programmes are put in place on a continuous basis.

Your Company continues to impart knowledge and talent development programmes through digital means and the training milestones were achieved across all layers of management.

Keeping in mind the physical and mental well-being of the employees caused by the pandemic, your Company has organized healthcare infrastructure, both physical and digital, at various workplaces. Free vaccination for all employees including contract workers and their dependents were organized and all the employees in the organisation are double vaccinated.

Financial and rehabilitation support for affected employees are being provided and also extended to the dependents of the employees who have unfortunately succumbed to the infection.

During the lockdown in the first quarter of FY 22 your Company continued to pay the salaries to all the employees including the contract workers without any deduction and on time. Notwithstanding the external disturbances caused by pandemic, geo-political disturbances and unprecedented commodity price increases, your Company released increments to all employees for FY 23 effective from April 01, 2022 as also the performance linked variable pay.

The industrial relations across all the manufacturing units has been by and large cordial. The Khardi Unit which was under lock-out since November 2020 resumed its operation by end of August 2021 pursuant to a long-term settlement entered into with the workers with improved productivity norms. Long term settlement was concluded during the year for Karjan Unit.

The direct employment strength stood at 1418 as compared to 1442 in the previous year.

FIXED DEPOSIT

Your Company is neither inviting or accepting Deposits from public or shareholders and hence there are no deposits outstanding or remaining unpaid as at the end of March 31, 2022.

DIVIDEND

During the year in February 2022 considering the improvement in the business environment your Directors paid an interim dividend of ₹ 2.50 per share for FY 22. Your Directors are happy to recommend a final dividend of ₹ 3.50 per share for FY 22 totalling to ₹ 6/- per share of face value ₹ 1/- each for FY 22 including the interim dividend already paid. (PY ₹ 5/- per share of face value ₹ 1/- each).

Form No. MR - 3 SECRETARIAL AUDIT REPORT

ANNEXURE - F

FOR THE FINANCIAL YEAR ENDED 31st March, 2022

(Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the
Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
TTK Prestige Limited,
Plot Nos. 38, SIPCOT Industrial Complex, Hosur – 635 126
Tamilnadu, India

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **TTK PRESTIGE LIMITED** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2022, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliancemechanism in place to the extent, in the manner and subject to the reporting made hereinafter: I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022 and made available to me, according to the provisions of:

- i. The Companies Act, 2013 ("the Act") and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 ("SCRA") and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment and Overseas Direct Investment, if any;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act"):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;

(c) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015;

vi. Other laws applicable specifically to the Company, namely:

- (a) The Patents Act, 1970; (Not applicable during the Audit period) and
- (b) The Trade Marks Act, 1999 (Not applicable during the Audit period).

I have also examined compliance with the applicable clauses of the (i) Secretarial Standards issued by The Institute of Company Secretaries of India (ii) The Listing Agreements entered into with Stock Exchanges.

I report that, during the year under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines and Standards mentioned above.

I further report that, there were no events/actions in pursuance of:

- a) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;
- b) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
- c) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;(Not applicable to the Company)
- e) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; and
- f) The Securities and Exchange Board of India (Buy-back of Securities) Regulations, 2018
requiring compliance thereof by the Company during the audit period.

I further report that, the compliance by the Company of applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts have not been reviewed in this Audit since the same have been subject to review by the statutory financial auditors, tax auditors, and other designated professionals.

I further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The

changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

I further report that, based on the information provided and the representation made by the Company and also on the review of the compliance certificates/reports taken on record by the Board of Directors of the Company, in my opinion

there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines

I report further that, during the audit period:

The Company, pursuant to the special resolution passed by the shareholders u/s 61 of the Act on December 01, 2021 through the Postal Ballot, has subdivided existing equity shares of the Company, such that each equity share having nominal value of ₹ 10/- (Rupees Ten) has been sub-divided into 10 Equity Shares of nominal value of ₹ 1/- (Rupee One) each fully paid-up and altered the capital clause of the Memorandum of Association accordingly and

there were no other specific events / actions in pursuance of the above referred laws, rules, regulations, guidelines, etc. having a major bearing on the Company's affairs.

As required under Regulation 34(2)(f) of SEBI (Listing Obligation and Disclosure) Regulations, 2015

Section A: General Information about the Company

1	Corporate Identity Number (CIN) of the Company	L85110TZ1955PLC015049
2	Name of the Company	TTK Prestige Limited
3	Registered address	Plot No. 38, Sipcot Industrial Complex, Hosur, 635126
4	Website	www.ttkprestige.com
5	E-mail id	ttkcorp@ttkprestige.com
6	Financial Year reported	Year Ending March 31, 2022
7	Sector(s) that the Company is engaged in (industrial activity code-wise)	3463 and 3469
8	List three key products/services that the Company manufactures/provides (as in balance sheet)	Pressure cookers, Cookware and Gas stoves
9	Total number of locations where business activity is undertaken by the Company	
	Number of International Locations (Provide details of major 5)	NIL
	Number of National Locations (i) Factories (ii) Corporate Office (iii) Branches	6 1 26

Section B: Financial Details of the Company

(₹ in Crores)

1	Paid up Capital (INR in Crores)	13.86
2	Total Turnover (INR in Crores)	2,532.15
3	Total profit after taxes and OCI (INR in Crores)	292.92
4	Total Spending on Corporate Social Responsibility (CSR) as percentage of profit after tax (%)	2.02% of profits
5	List of activities in which expenditure in 4 above has been incurred	Education, infrastructure and sanitation facilities for Rural Schools, calamity relief, nutrition, health care and research for rehabilitation equipment for the disabled.

Section C: Other Details

Does the Company have any Subsidiary Company/ Companies	Yes
Do the Subsidiary Company/Companies participate in the BR Initiatives of the parent company? If yes, then indicate the number of such subsidiary company(s)	No. Subsidiary is a foreign company.
Do any other entity/entities (e.g. suppliers, distributors etc.) that the Company does business with, participate in the BR initiatives of the Company? If yes, then indicate the percentage of such entity/entities? [Less than 30%, 30-60%, More than 60%]	Yes, less than 30%

Section D: BR Information

3. Governance related to BR:

- Indicate the frequency with which the Board of Directors, Committee of the Board or CEO to assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.

Half Yearly Review

- Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

Business Sustainability Report is published as part of the Annual Report and the same is available at the website of the Company www.ttkprestige.com

Section E: Principle-wise performance

Principle 1

- Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/ Joint Ventures/ Suppliers/Contractors/NGOs /Others?

Largely applies to the Company

- How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

The company received 209 complaints from stakeholders, and all have been resolved. As regards after sales service, the same is being handled through a wide network of service centres and online customer service.

Principle 2

- List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

- Svachh Pressure Cookers: Full range of 'Svachh' Pressure Cookers have been designed and launched during last year. The cookers in the market are associated with spillage particularly when food with more liquid contents are cooked, causing inconvenience to the user. The spillage sometimes risks the clogging of the Stoves requiring extra care to clean. The 'Svachh' design incorporate a special feature lid which contains the spillage hence reduce usage of chemicals / solvents to clean the products.*
- Svachh Glass Top Gas Stove ranges: The new range of 'Svachh' Glass Top Gas Stove range developed and launched this year is an outcome of our commitment to make the Kitchenwares more user friendly and innovative. This Flip type burner range has been designed to not only look premium, but also makes the cleaning the stove after cooking hassle free, first of its kind in India. This is accomplished by a mechanism which integrated the Burner unit with the mixing tubes and placing them along with the Jet on top of the Glass Top, thus making them accessible for easy cleaning and maintenance. It thus reduces the usage of chemicals / solvents on daily basis.*

- iii. *Cuprus Range of Cookwares: This new range of cookwares designed with steel handles, knobs which are oven safe and caters well to a growing segment in the modern kitchens. This range is also dishwasher friendly and makes life easier for the consumer. The Steel handles and knobs used are recyclable when compared with the phenol Formaldehyde which cannot be recycled. The Cuprus range is healthier as the non-stick coating contains silver Nano Particles which controls bacterial growth. Cuprus range of Cookware is also induction stove friendly and thus helps in reducing energy while cooking.*

Four of our factories (Hosur, Coimbatore, Karjan and Roorkee) are continued with certification for ISO 9001:2015 Standard. The EMS (Environmental Management Systems) ISO 14001 has ensured we identify and assess potential environmental risks. This has been audited by M/s. TUV Rhineland, a German Notified Body.

The new version of International Safety Standard ISO 45001 has been implemented. The said certification is now in four of our Manufacturing Plants (Hosur, Coimbatore, Karjan and Roorkee) for the effective implementation of Safety Standards.

A new supply chain security system called Global Security Verification (GSV 2.0) with the upgraded version has been audited, certified and continued the certification for Karjan plant by M/s Intertek, India who are the third party certification agency. Now, our Hosur Plant has also been audited by third Party Agency to meet our Customer's requirement and succeeded.

Initiatives to reduce environmental impact:

Your Company has taken various initiatives to reduce environmental impact. A list of all the initiatives that has been carried out by the Company in the recent years are given as **Annexure 1** to this report.

Some of the key initiatives undertaken by the Company are given below

- One of the major initiatives to reduce Environmental Impact is from our Polishing Area. The below steps were initiated to reduce the impact and horizontally deployed to other Manufacturing Plants.
 - We have changed from Solvent Base Soap (organic in nature) to Water Base Soap in view of the reducing the load on ETP.
 - About 1.2 Kgs of muck per day from polishing is used as fuel for melting of soap. This will reduce impact on the environment (Soil). This is a substitute for diesel (Fossil Fuel).
 - Installed Auto Liquid Soap Spray system in Rotary Polishing Machines at Karjan, Khardi and Roorkee Plant to reduce the Dry Soap generation. This has been substituted by Biodegradable Liquid, Aqua Blue.
 - In SS Cooker and Cookware Process, the chemical hazardous materials of Nitric Acid and Caustic have been used in the process of Cladding / Impact Forging. It was replaced with Water soluble Non-Hazardous chemical and also eliminated the Sanding process for Cowl, Alu. Disc and SS Body.
- To improve the awareness on the Concept of Re- Use of Polybags, the Polybags with the thickness of more than 51 microns has been used for cooker and cookware packaging and further adhered to the Government regulations by printing all the relevant information including Re-Sale value.
- MOU for Co-Processing (Reuse) of Paint related waste as fuel instead of sending for Incineration is being continued.
- Non-Stick Coating Production Line Paint booths have been replaced with New & Efficient paint booths to improve the suction systems & thus reducing suspended particulate matter in the Non-Stick coating area.
- The Non-Stick PTFE Coating Booth are being installed with Robots to reduce the over spray which reduces the load on ETP. The net result is about 20% savings in Base Coat Paint and to maintain uniformity on coating and dry film thickness improved.
- One more milestone achieved in the use of Paint. We were using PTFE -Organic Solvent Base Paint and moved now to PFOA3 GenX (Poly Fluro Octonic Acid) Free Paint. It is having lesser environmental impact compared with PTFE Paint.

2. For each such product, provide the following details in respect of resource use (Energy, water, raw material etc.) per unit of product (optional):

- i. Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?
Reduction of approximately 8% was achieved in input material consumption of our Plant at Roorkee, Uttarakhand.
- ii. Reduction during usage by consumers (energy, water) has been achieved since the previous year?

THE FOLLOWING WERE THE EFFORTS UPTO THE PREVIOUS YEAR

- *Stainless Steel production capacity has been increased by 50% in Karjan Unit by adding 250 Ton Servo Hydraulic Energy Saving Press, 10 Station Inside Rotary Polishing Machine, 9 Station Universal CNC Sanding Machine with the latest technology.*
- *State of art high pressure washing unit achieving Millipore value of 0.7-0.8 Mg & saving of water by 60 % from 89 KLD to 35 KLD by using Fan Type Nozzles.*
- *New technology 1600 Ton Electric Type Screw press is being used instead of Mechanical Fly Wheel Type Press and were having energy savings of about 30%. Also, we have installed four station Induction IGBT Technology heating system which reduces the consumption of energy by 30%.*
- *Coimbatore plant Got Green Consent order from TNPCB and maintained*
- *Modern Finished Goods warehouses with High Racking Systems installed at Hyderabad, Bommasandra and Khardi with efficient material handling reducing damages, wastes and the storage space increased by 48%. Helps easy traceability and Inventory Control.*
- *Digitization of Critical to Process Quality parameters has been initiated at the Coating Line of Non-Stick at Karjan.*
- *Plan for a 1 MW solar roof top power plant in Karjan and 200 KW at Khardi Plant initiated.*
- *Food crusher to crush food wastages in canteen to avoid methane emission has been implemented.*
- *Separate LPG station installed with piping for Canteen Gas supply to ensure Safety.*
- *To sustain the BOD and COD levels at ETP outlet water, one more holding tank installed. This is to support to remove the sedimentation from Treated Water by using mechanical screw press in place of conventional system.*
- *The Final treated water from ETP and STP are again processed through RO Plant to reduce the TDS and ensure the quality. The same is used for Industrial Process purpose to reduce the Fresh Water Consumption as a part of Water Conservation at Hosur.*
- *As a part of Energy Consumption, Spot Welding Machines converted from 2 Phase into 3 Phase which yields 40% Consumption reduction using IGBT Technology controls.*
- *250 Ton Hydraulic Press due to Servo Control Hydraulic System as Energy savings of about 30% against the conventional type of Hydraulic Press.*
- *In the process of SS Cookware, combined Trimming and Beading operation SPM machine installed, resulting the reduction in Process, Manpower and in Energy Consumption.*
- *The final treated water of ETP/ STP passed through UV Rays to improve the Quality further at Coimbatore and at Hosur Plants.*

IMPROVEMENTS DURING THE CURRENT YEAR:

- *The electric controls for the new Non-Stick Lines are installed using Thyristors from Relay Logic Control Systems.*
- *The existing 230 Ton Hydraulic Press originally operated with 2 X 75 HP Motors were reviewed and by changing the Hydraulic Path, now it is being operated with 1 X 75 HP motor. The Power Consumption for the Press reduced by 30% from the existing consumption.*
- *1% Energy Consumption reduction (about 65000 Kwh) achieved by reducing the Compressed Air Consumption through Air Leakage arresting and using VFD at Karjan.*
- *Introduction of LED Lights by replacing High Bay MH Lamps at Karjan.*
- *ETP Outlet water has been used at Toilet Flushing at Karjan reduces the freshwater consumption by 90 KLD.*
- *The re-cycling plastic percentage increased to 20% from the existing ratio of 10% in the purchase of Poly Bags. Now, the ratio in the Polybag is 70% LLDPE : 10% LDPE: 20% Recycled Plastic being used in all new Poly bags.*
- *Also, for select Customers, even the Inner Cartons are being supplied with fully Re- Cycled Paper only.*

3. Does the company have procedures in place for sustainable sourcing (including transportation)? If yes, what percentage of your inputs was sourced sustainably?

About 70% of our inputs are sourced sustainably. We have established vendors both within and outside India. We also have back up list of vendors in case of inability of any of the existing suppliers. A sustainable procurement policy is in place.

Commissioned and productionised soft touch handle coating line to produce up to 10,000 per day. This has reduced our import of the handle; import substitution.

Productionised the Magic mop & completely stopped import of one model.

4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Yes, our total procurement from local SMEs, traders, service providers constitute around 25-28% (including goods and services) of Procurement spend in 2021-22.

Various improvement initiatives have been put forth towards improving capacities & capability of our vendors viz. ISO certification / 5S activities/ EHS compliance/ Product & Process Capability Assessment for enhancing Productivity which have been jointly performed along with our vendors (across various supplier clusters) by our SCM/Quality/PPC team at vendor's end to improve their reliability of delivery & quality of supplies thereby enhancing supplier performance.

Periodic supplier visit plan includes verifying improvements witnessed at site and identifying opportunities for improvement / areas of concern that need to be addressed followed by joint VAVE initiatives to reduce cost of components to remain competitive in Market. This forms an integral part of TTKPL's Supplier Value Management process.

Your Company shares technical cum operational knowledge with its SMEs & local vendors from time to time towards ensuring continual focus on improving supplier value chain which fosters a culture of mutually beneficial Customer-Supplier Relationship.

5. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

The company has a policy of product exchange under which products that have outlived their warranty period are taken back and replaced with a new product. Such returned products find their ways for recycling. Our experience shows that about 20% of the products are exchanged in the above manner.

Principle 3

Please indicate the Total number of employees: **1418 Permanent**

Please indicate the Total number of employees hired on temporary/ contractual/casual basis: **2091**

Please indicate the Number of permanent women employees: **32**

Please indicate the Number of permanent employees with disabilities: **12**

Do you have an employee association that is recognized by management?

The company has recognized Trade Union in two of its manufacturing units and all the permanent workmen are members. Other factories are relatively new. However formal working committees & grievance redressal mechanisms are in place these factories.

What percentage of your permanent employees is members of this recognized employee association?

All our permanent workers in our Hosur & Khardi Plant are members of Recognized union.

Other factories are relatively new. However formal working committees & grievance redressal mechanisms are in place these factories.

Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

Sl. No.	Category	No of complaints filed during the financial year	No. of complaints pending as on end of the financial year
1.	Child labour/forced labour/involuntary labour	NIL	NIL
2.	Sexual harassment	2	NIL
3.	Discriminatory employment	NIL	NIL
4.	Grievances Committee	NIL	NIL

What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

- *Permanent Employees: 100%*
- *Permanent Women Employees: 100%*
- *Casual/Temporary/Contractual Employees: 100%*
- *Employees with Disabilities: 100%*

Principle 4

Has the company mapped its internal and external stakeholders? Yes / No:

Yes

Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?

The Company is an Equal Opportunity employer, none of the categories is marginalised. As regards other stakeholders, the company has a policy of non-discrimination.

Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders? If so, provide details thereof, in about 50 words or so.

Not Applicable

Principle 5

Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/ Contractors / NGOs / Others?

The policy covers only the Company. We communicate to the vendors and contractors our Policy on Human rights to be followed.

How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

There have been no major complaints other than normal shareholders complaints and complaint regarding minor product handling issues.

The company has a policy of not keeping a complaint unattended for more than 48 hours.

Principle 6

Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures/Suppliers/ Contractors/ NGOs / others?

Largely covers the company only.

Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc.? Y / N. If yes, please give hyperlink for webpage etc.

Yes. Business Sustainability Report is published as part of the Annual Report and the same is available at the website of the Company www.ttkprestige.com. A list of all the initiatives that has been carried out by the Company in the recent years are given as Annexure 1 to this report.

Does the company identify and assess potential environmental risks? Y / N

Yes

Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if yes, whether any environmental compliance report is filed?

No

Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc.? Y / N. If yes, please give hyperlink for web page etc.

The company constantly is endeavouring to engage in energy savings projects. Wherever feasible we have installed solar power generators in our factories.

Factory	Initiative taken on solar power generation
Coimbatore	100 KWp solar electrical energy generation, 80,000 Kcal / hr solar heating water
Roorkee	80,000 Kcal / hr solar heating water
Hosur	285 KWp solar electrical energy generation under installation

Business Sustainability Report is published as part of the Annual Report and the same is available at the website of the Company www.ttkprestige.com. A list of all the initiatives that has been carried out by the Company in the recent years are given as Annexure 1 to this report.

Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?

Yes

Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

Nil

Principle 7

Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

- a. FICCI
- b. CMA
- c. CII
- d. Pressure cooker Manufacturers Association

Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (drop box: Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others).

We do express our views on economic and other policy matters. But not lobbied for any matter.

Principle 8

Does the company have specified programmes/initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.

The Company has a well-defined CSR Policy and spends on various projects/activities as listed in the CSR report forming part of the Corporate Governance Report.

Are the programmes/projects undertaken through in-house team / own foundation / external NGO / government structures / any other organization?

The projects which we fund are either undertaken by NGOs, Reputed Educational / Research Institutions, and Public Charitable Trusts having track record and duly registered with MCA as required under the regulation.

Have you done any impact assessment of your initiative?

Yes

What is your company's direct contribution to community development projects- Amount in INR and the details of the projects undertaken?

All the CSR projects undertaken by the company either directly or through other agencies are for the benefit of the community at large. The details of project / activities are listed in the separate CSR Report attached with this Annual Report.

Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.

The Company's operations have not displaced any community. However, the Company is supporting cause like provision of sanitary facilities in schools in rural areas and institutions that provide vocational training in rural areas.

Principle 9

What percentage of customer complaints/consumer cases are pending as on the end of financial year?

Insignificant

Does the company display product information on the product label, over and above what is mandated as per local laws? Yes / No / N.A. / Remarks (additional information).

Yes

Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behaviour during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.

Nil

Did your company carry out any consumer survey/ consumer satisfaction trends?

The Company conducts formal and informal surveys through its service camps, its exclusive retail network -Prestige Xclusive and market external research companies.

ANNEUXRE 1 TO BUSINESS RESPONSIBILITY REPORT

Note on Strategies and Initiatives undertaken by the Company under the Business Responsibility and Sustainability model

The Products of the Company, viz. Pressure Cookers, Induction Cooktops, Gas Stoves being the lead products, are designed to save energy as well as protect environment. Continuous design improvements and manufacturing processes are directed to reduce the consumption of basic metals like aluminium, steel etc. besides utilities like water, power, and fuel.

Pressure Cooker

Pressure cooker by itself is an energy saving device. Promoters of TTK Prestige pioneered this in India way back in late 1940s even before cooking gas was introduced in India.

On an average pressure cookers conserves 53% fuel as compared to other cooking methods. With induction friendly base it affords the flexibility of using gas or electricity as fuel and costs are saved irrespective of the fuel used. It is established that conservation potential of a pressure cooker in use in a household for a year is 163 liters of kerosene or 7 cylinders (14.5 kg each) of LPG.

It is environment friendly as it encourages people to move away from sources of fuel like firewood, charcoal and even kerosene. It eliminates health hazards caused by smoke. It protects the environment by reducing the extent of smoke. It reduces the loss of tree population which has been traditionally used for providing firewood.

Experiments have also established that pressure cookers require 29% less water than the conventional cooking methods thus saving the environment. This will also have a significant effect on the quality of life in deserts and other areas where potable water is scarce.

Eating foods that are pressure cooked offers more nutritional boost than those cooked for longer periods using traditional cookware. The longer foods are cooked, the more nutrients are destroyed.

TTK Prestige being the leading pressure cooker player in the Country is playing a major role in energy and environment sustainability.

Induction cooktops

Induction cooktops of TTK Prestige reduce the time of cooking thus saving use of power. Induction cooking is more efficient than traditional methods with up to a 70% reduction in energy consumption – 90% of the energy produced channeled into the pan itself. That means that food cooks faster using less power. Induction is also safer, as there is no flame or element to ignite fumes or cause burns. Induction cooking works on magnetic fields where the heat is transferred directly to the pan and the food being cooked so its very energy efficient as there is no wastage of the heat as happens in the conventional cooking mediums. As there is no loss of heat the environment doesn't get heated.

Gas Stoves

Gas stoves ascertain even heat distribution. Due to this quality, the utensils heat up fast making the cooking process smoother and faster and thus save fuel. Heat regulation is of prime importance in cooking. On turning off the heat in these stoves, the change in heat content is immediate. Gas Stoves of TTK Prestige provides better thermal efficiency thus reducing consumption of cooking gas.

Design of Products:

TTK Prestige has been constantly focusing on using less metal for the pressure cooking device. An average pressure cooker of 5 litres capacity used to consume 1.190 kg of Aluminum in 1970s. Due to continuous innovation in design and manufacturing processes the current material consumption is just 1.043 kg. Approximate annual saving of Aluminum used is of the order of 600 kgs.

Aluminum manufacturing consumes huge amount of energy. By saving on the volume of material consumed per pressure cooker, there is an indirect saving of power costs incurred in the principal metal manufacturing supply chain.

While the company uses virgin aluminum (important for safety) for pressure cookers, whatever scrap generated is recycled to cater to the manufacturing of non-stick cookware. This once again ensures sustainability of the raw-material source.

List of ESG initiatives undertaken at the factories of TTK Prestige Limited is given below:

Sl. No.	Name / Type of the Project	Benefit of the Project under ESG requirements	Benefits Derived	Period of the Project	Location
1	Water Saving: - Push type and pedal type water taps fixed in all the outlet points	Conservation of Natural Resource	Water saved - 5000 litres / month	Ongoing project	Hosur
2	Diesel Saving: - Thermal insulation provided for washing plant water tanks and tunnel to avoid the heat evaporation	Energy Conservation	Diesel saved 936 litres / year	Ongoing project	Hosur
3	Power Saving: - SBAD machine hydraulic power pack motor conversion from 7.5 hp to 3 hp	Energy Conservation	4.5 hp power saved	Ongoing project	Hosur
4	Power Saving: - LED lights installation - 40w tube lights replaced to 18w LED light	Energy Conservation	Total 250 Nos and saved 5500 watts	Ongoing	Hosur
5	Rainwater Harvesting in Factory premises	Natural Resource Conservation	Ground water recharge	Ongoing	Hosur
6	Hydraulic oil saving: - Hydraulic oil purchase reduced by filtering the same oil.	Natural Resource Conservation	Saved 2000 lits/year	Ongoing	Hosur
7	Tree plantation: Available trees 385 Nos. Every year on average 25 trees are planted in around factory	Environment Protection	1. Clean air 2. Clean water 3. Carbon sequestration 4. Controlled temperature	Ongoing	Hosur
8	Power saving: - Modified conveyor arrangement and cooling system to reduce number from 4 to 2 Nos	Energy Conservation	1.5+1.5=3hp Power saving	Ongoing	Hosur
9	Water saving: - STP and ETP water are being used for garden	Natural Resource Conservation	70kl/day water saving	Ongoing project	Hosur
10	Land contamination Avoidance: - ETP waste sending to TNPCB authorized party	Environment Protection	No land contamination	Ongoing project	Hosur
11	Water Chillers: - Re-cycle of the same water for cooling purpose	Energy Conservation	1. Water saving 2. De-scaling chemical not using 3. Scaling not available 4. Power saving	Ongoing project	Hosur
12	Acid usage elimination: - Benzole being used for cladding pre-treatment process	Environment Protection	Environment friendly	Ongoing project	Hosur
13	Asbestos Elimination: - Ceramic fiber being used for cladding operation	Environment Protection	1. Environment friendly 2. Non-Hazards	Ongoing project	Hosur
14	Installation of 285 KW Solar power Plant	Energy Conservation	1000 kwhr/day	Ongoing project	Hosur

Sl. No.	Name / Type of the Project	Benefit of the Project under ESG requirements	Benefits Derived	Period of the Project	Location
15	Use of Coconut Oil in lieu of Ilo cut oil (Petroleum Product) in Try-ply body draw operation	Environment Protection	1. Environment friendly 2. Non-Hazards	Ongoing project	Hosur
16	Tree Plantation around the Factory - Available 222 Trees	Environment Protection	1. Clean Air 2. Controlled Temperature	From 2008 to till date	Hosur - U4
17	STP Zero Discharge - Water reused after the treatment process	Natural Resource Conservation	Zero Discharge	From 2008 to till date	Hosur - U4
18	Napkin incinerator provided at Ladies rest room for safe disposal	Environment Protection	Eliminated Land contamination and eliminate Spreading Diseases	From October 2020 to till date	Hosur - U4
19	Rainwater Harvesting in Factory Premises	Conservation of Natural Resource	Ground water level Maintenance	From 2008 to till date	Hosur - U4
20	Water Saving - Push and Pedal Type Water Taps Provided	Conservation of Natural Resource	Water Saved - Approximately 300KL per Year	From March 2021 to till date	Hosur - U4

(d) Performance Evaluation criteria for Independent Directors:

During the year under review, the Board adopted a formal mechanism for evaluating its performance and as well as that of its committees and individual Directors, including the Chairman of the Board. The exercise was carried out through a structured evaluation process covering various aspects of the Board functioning such as composition of the

Board and Committees, experience and competencies, performance of specific duties and obligations, governance issues, etc. Separate exercise was carried out to evaluate the performance of individual Directors including the Board Chairman who were evaluated on parameters such as attendance at Board Meetings and General Meetings; participation in Board proceedings; independence and candidness shown at meetings; clarity and objectiveness in expressing views at meetings; awareness of governance code, compliance requirements, risk framework, etc.; interactions with other Directors / Senior Management during and outside meetings; keenness to continuously familiarize with the industry and the Company; etc.

The evaluation of the Independent Directors was carried out by the entire Board and that of the Chairman and the Non-Independent Directors were carried out by the Independent Directors.

The Directors were satisfied with the outcome of the evaluation, which reflected the overall engagement of the Board and its Committees with the Company.

Your Company has in place a Policy relating to selection, remuneration and evaluation of Directors and Senior Management. The said Policy is available on the website of the Company www.ttkprestige.com

INDEPENDENT AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

To the Members of TTK Prestige Limited

This certificate is issued in accordance with the terms of our engagement with TTK Prestige Limited ('the Company').

We have examined the compliance of conditions of Corporate Governance by the Company, for the year ended on March 31, 2022, as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the Listing Regulations).

Managements' Responsibility

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes preparation and maintenance of all relevant supporting records and documents, the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Pursuant to the requirements of the Listing Regulations, it is our responsibility to provide a reasonable assurance whether the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations for the year ended March 31, 2022.

We conducted our examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para C, D and E of Schedule V of the Listing Regulations during the year ended March 31, 2022. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction of Use

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the aforesaid Regulations and may not be suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF TTK PRESTIGE LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of TTK Prestige Limited ("the Company"), which comprise the standalone balance sheet as at March 31, 2022, the standalone statement of Profit and Loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, profit and other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matter described below to be the Key Audit Matter to be communicated in our report.

Sl.No	Key Audit Matter	How our audit addressed the Key Audit Matter
1.	Revenue Recognition The Company manufactures and trades in a number of products related to kitchen and home appliances. Revenue is measured net of discounts, incentives and rebates earned by customers on the Company's sales. Given the variety and large number of sales transactions and estimates involved in discounts etc. revenue recognition is considered a Key Audit Matter. Disclosure Note 44 and the accounting policies provide additional information on how the Company accounts for its revenue.	Our audit included but was not limited to the following procedures: Our procedures included, among others, obtaining an understanding of the processes and relevant controls relating to the accounting for customer contracts. Accounting policies: Assessing the appropriateness of the Company's revenue recognition accounting policies, including those relating to discounts, incentives and rebates under Ind AS 115.
		Control Testing: Testing the selected key controls for the revenue recognized throughout the year and calculation of discounts, incentives and rebates, including reviewing the results of testing by management, for their operating effectiveness and performed procedures to gain sufficient audit evidence on the accuracy of the accounting for customer contracts and related financial statement assertions.

Standalone Audit Report (Contd...)

		Evaluating the IT systems relevant for revenue recognition and the functioning of the related general IT controls. Tests of Details: - Reviewed sales transactions recorded either side of year end as well as credit notes issued after the year end date to determine whether revenue was recognized in the correct period. - Performed substantive procedures to understand and validate the basis of provision for schemes and discounts with underlying workings and evidence. - Compared the current year estimates of discounts, incentives and rebates to the prior year and, where relevant, completing further inquiries and testing. - Obtained the supporting documentation on sample basis for discounts and incentives given under schemes to agree to the amounts recorded as discounts and incentives during the period. Disclosures: Tracing disclosure information to accounting records and other supporting documentation.

Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's management and Board of Directors are responsible for the preparation of other information. The other information comprises the information included in the Directors report and business responsibility report but does not include the standalone financial statements and our auditors' report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for Standalone Financial Statements

The Company's management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards (Ind AS) prescribed under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Standalone Audit Report (Contd...)

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to the standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Standalone Audit Report (Contd...)

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - (c) The standalone Balance Sheet, the standalone Statement of Profit and Loss (including other comprehensive income), the standalone Statement of Changes in Equity and the standalone statement of cash flows dealt with by this report are in agreement with the books of account
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - (g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2022 on its financial position in its standalone financial statements – Refer Note 34b to the standalone financial statements;
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2022; and
 - (a) The management has represented that, to the best of its knowledge and belief, as disclosed in Note 51 to the standalone financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The management has represented, that, to the best of its knowledge and belief, as disclosed in Note 51 to the standalone financial statements, no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.

ANNEXURE A

Referred to in paragraph 1 on 'Report on Other Legal and Regulatory Requirements' of our report of even date to the members of TTK Prestige Limited ("the Company") on the standalone financial statements as of and for the year ended March 31, 2022.

- (i) (a) As required by the Companies
 - (A) The Company has maintained proper records showing full particulars including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) The Company has a regular programme of physical verification of its Property, Plant and Equipment by which all Property, Plant and Equipment are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain Property, Plant and Equipment were physically verified by the management during the year. In our opinion, and according to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (c) According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held in the name of the Company as at Balance Sheet date
In respect of immovable properties of land and building that have been taken on lease and disclosed as right of use assets in the financial statements, the lease agreements are in the name of the Company.
- (d) The Company has not revalued its Property, Plant and Equipment (including Right of Use assets) and intangible assets during the year and hence this clause is not applicable to the Company.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibitions) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) The inventory, except goods in transit and stocks lying with third parties, has been physically verified by the management at reasonable intervals during the year. In our opinion, the frequency of such verification is reasonable. For stocks lying with third parties at the year-end, written confirmations have been obtained and in respect of goods-in-transit, subsequent goods receipts have been verified or confirmations have been obtained from the parties. In our opinion, the coverage and procedure of such verification by the management is appropriate. The discrepancies noticed on verification between the physical stocks and the book records are not 10% or more in the aggregate for each class of inventory.
- (b) Based on our audit procedures & according to the information and explanation given to us, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. Quarterly returns or statements filed by the company with such banks or financial institutions are in agreement with the books of account of the Company.
- (iii) (a) Based on our audit procedures & according to the information and explanation given to us, the Company has made investments in companies as follows during the year:

(A) Associates: (₹ in Crores)	
	Investments
Aggregate amount provided during the year - Associates	20.01
Balance outstanding as at balance sheet date - Associates	20.01

- (b) Based on our audit procedures and according to the information and explanation given to us, the investments made, security given are not prejudicial to the Company's interest.
- (c) Based on our audit procedures and according to the information and explanation given to us, the company has not given any loans or advances in the nature of loans. Hence, reporting under clause 3(iii)(d),(e) and (f) are not applicable.

- (iv) In our opinion and according to the information and explanation given to us, the Company has complied with provisions of Section 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees, and securities, as applicable
- (v) Based on our audit procedures & according to the information and explanation given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits within the meaning of the Act and the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder. Accordingly, paragraph 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company as specified under sub section (1) of section 148 of the Act, for maintenance of cost records in respect of the products manufactured by the Company, and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not, made a detailed examination of cost records with a view to determine whether they are accurate or complete.

(vii)

- (a) According to the information and explanations given to us and the records of the Company examined by us, the Company has generally been regular in depositing undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income-tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues as applicable with the appropriate authorities.

According to the information and explanation given to us and the records of the Company examined by us, no undisputed amounts payable in respect of Goods and Service Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues were in arrears, as at March 31, 2022 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us and based on our examination of the records of the Company, there are no statutory dues referred to in sub-clause (a) as at March 31, 2022, which have not been deposited with the appropriate authorities on account of any dispute, except as stated below:

- (viii) Based on our audit procedures and as per the information and explanations given by the management, no amount has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961. Accordingly, paragraph 3(viii) of the order is not applicable to the Company.

(ix)

- (a) Based on our audit procedures and as per the information and explanations given by the management, the Company has not defaulted in repayment of loans or other borrowings or in payment of interest thereon to any lender,

- (b) According to the information and explanations given to us, the Company is not a declared willful defaulter by any bank or financial institution or other lender. Accordingly, paragraph 3(ix)(b) of the Order is not applicable to the Company.
 - (c) According to the information and explanations given to us and the records of the Company examined by us, term loans were applied for the purpose for which the loans were obtained;
 - (d) According to the information and explanations given to us and the records of the Company examined by us, there were no funds raised on short term basis by the Company. Accordingly, paragraph 3(ix)(d) of the Order is not applicable to the Company.
 - (e) According to the information and explanations given to us and the records of the Company examined by us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, joint ventures or associate companies. Accordingly, paragraph 3(ix)(e) of the Order is not applicable to the Company.
 - (f) According to the information and explanations given to us and the records of the Company examined by us, the Company has not raised any loans during the year on pledge of securities held in its subsidiaries, joint ventures or associate companies. Accordingly, paragraph 3(ix)(f) of the Order is not applicable to the Company.
- (x)
- (a) According to the information and explanations given to us, the Company did not raise money by way of initial public offer or further public offer (including debt instruments) during the year and hence the question of whether money raised were applied for the purposes for which those are raised does not arise. Accordingly, paragraph 3(x) of the Order is not applicable to the Company.
 - (b) According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) during the year and hence the question of whether the requirements of section 42 and section 62 of the Companies Act, 2013 have been complied with and the funds raised have been used for the purposes for which the funds were raised does not arise. Accordingly, paragraph 3(x)(b) of the Order is not applicable to the Company.
- (xi)
- (a) To the best of our knowledge and belief and according to the information and explanations given to us, we report that no fraud by the Company or on the Company has been noticed or reported during the year.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by us in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - (c) To the best of our knowledge and belief and according to the information and explanations given to us, we report that no whistle blower complaints were received during the year by the Company.
- (xii) The Company is not a Nidhi company in accordance with Nidhi Rules 2014. Accordingly, paragraph 3(xii)(a) to (c) of the Order is not applicable.
- (xii) Based on our audit procedures and according to the information and explanations given to us, all the transactions entered into with the related parties during the year are in compliance with Section 177 and Section 188 of the Act where applicable and the details have been disclosed in the standalone financial statements as required by the Indian accounting standard Related Party Disclosures (Ind AS 24)
- (xiv)
- (a) To the best of our knowledge and belief and according to the information and explanations given to us, the Company has an internal audit system commensurate with the size and nature of its business.
 - (b) We have considered the reports of the Internal Auditors for the period under audit.
- (xv) On the basis of the information and explanations given to us, in our opinion, during the year the Company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi)
- (a) Based on our audit procedures and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of Reserve Bank of India Act, 1934 (2 of 1934).
 - (b) Based on our audit procedures and according to the information and explanations given to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi)(b) of the Order is not applicable to the Company.

- (c) Based on our audit procedures and according to the information and explanations given to us, the Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India and hence the questions of fulfilling criteria of a CIC, and in case the Company is an exempted or unregistered CIC, whether it continues to fulfill such criteria, do not arise. Accordingly, paragraph 3(xvi)(c) of the Order is not applicable to the Company.
- (d) Based on our audit procedures and according to the information and explanations given to us, none of the group companies are Core Investment Company (CIC) and hence the question of number of CICs which are part of the Group does not arise. Accordingly, paragraph 3(xvi)(d) of the Order is not applicable to the Company.
- (xvii) Based on our audit procedures and according to the information and explanations given to us, the Company has not incurred cash losses in the financial year and in the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- (xix) On the basis of financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, we are of the opinion that no material uncertainty exists as on the date of the audit report of the Company's capability of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx)
- (a) Based on our audit procedures and according to the information and explanations given to us, the Company having spent the required amount, there is no amount pending to be transferred to a Fund specified in Schedule VII to the Companies Act within a period of six months of the expiry of the financial year in compliance with second proviso to sub-section (5) of section 135 of the said Act.
- (b) Based on our audit procedures and according to the information and explanations given to us, the Company is not required to transfer unspent amount under sub-section (5) of section 135 of the Companies Act, pursuant to ongoing project to special account in compliance with provision of sub-section (6) of section 135. Accordingly, paragraph 3(xx)(b) of the Order is not applicable to the Company.

ANNEXURE B

Referred to in paragraph 2(f) on 'Report on Other Legal and Regulatory Requirements' of our report of even date

Report on the Internal Financial Controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls with reference to standalone financial statements of TTK Prestige Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

We have audited the internal financial controls with reference to standalone financial statements of TTK Prestige Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

Nature and Purpose of Reserves:

- (a) **Capital Reserve:** The Company recognises profit and loss on purchase, sale, issue or cancellation of the Company's own equity instruments to capital reserve.
- (b) **Securities Premium:** Securities premium is used to record the premium on issue of shares. The reserve is utilised in accordance with the provisions of section 52 of the Companies Act, 2013.
- (c) **Capital Redemption Reserve:** As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilized in accordance with the provisions of section 69 of the Companies Act, 2013.
- (d) **General Reserve:** The general reserve is a free reserve which is used from time to time to transfer profits from retained earnings for appropriation purposes.
- (e) **Retained Earnings:** Retained earnings are the profits that the Group has earned till date, less any transfers to general reserve, dividends or other distributions paid to shareholders.
- (f) **Items of Other Comprehensive Income**
- Remeasurements of Net Defined Benefit Plans: Differences between the interest income on plan assets and the return actually achieved, and any changes in the liabilities over the year due to changes in actuarial assumptions or experience adjustments within the plans, are recognised in other comprehensive income and are adjusted to retained earnings.
 - Equity Instruments through Other Comprehensive Income: The fair value change of the equity instruments measured at fair value through other comprehensive income is recognised in equity instruments through Other Comprehensive Income.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

1. Corporate information

TTK Prestige Limited ('TTK' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at Plot No. 38, SIPCOT Industrial Complex, Hosur, Tamilnadu – 635126. The Company's shares are listed and traded on Stock Exchanges in India. The Company is primarily engaged in the business of Kitchen and Home Appliances.

2. Significant accounting policies**(i) Statement of compliance**

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Sec 133 of the Companies Act 2013 and other relevant provisions of the Act as amended thereto.

These financial statements were authorized for issue by the Board of Directors on May 28, 2022.

These financial statements have been prepared on accrual and going concern basis.

(ii) Basis of preparation and presentation

These financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

As the operating cycle cannot be identified easily in normal course, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

(iii) Fair value measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the company analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed in line with the Company's accounting policies. For this analysis, the company verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(iv) Use of Estimates and Judgments

In the application of the Company's accounting policies, the Management of the Company are required to make judgments. The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions, that affect the application of accounting policies and the reported amounts of assets, liabilities, income, expenses and disclosures of contingent assets and liabilities at the date of these financial statements and the reported amounts of revenues and expenses for the years presented. Actual results may differ from these estimates

Estimates and underlying assumptions are reviewed on an ongoing basis at each balance sheet date. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of revision and future periods if the revision affects both current and future periods. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements are provided in Note 2.1

(v) Revenue recognition

Revenue from Sale of goods:

Sales are stated at net of returns and GST. Sales Revenue is recognized when:

Revenue is recognized at a point in time upon transfer of control over the products sold to customers which generally coincides with the delivery of goods at customer premises.

The goods are often sold with volume discounts based on aggregate sales over a defined period typically ranging between 1 month -12 months. Revenue from these sales are recognised based on the price specified in the contract, net of the estimated volume discounts. Accumulated experience is used to estimate and provide for the discounts, using the expected value method, and revenue is only recognised to the extent that it is highly probable that a significant reversal will not occur. A contract liability is recognised for

expected volume discounts payable to customers in relation to sales made until the end of the reporting period. The Company adjusts estimate of revenue at the earlier of when the most likely amount of consideration company expects to receive changes or when the consideration becomes fixed. No element of financing is deemed present as the sales are made with a credit term of 30-120 days, which is consistent with market practice. The Company's obligation to provide a refund for faulty products under the standard warranty terms is recognised as a provision, see note 22 for details.

(vi) Other income

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income, interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.

When calculating the effective interest rate, the company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in finance income in the statement of profit and loss. Interest arising on overdue bills is recognized on date of reliable measurement being the date of settlement.

Dividend income

Dividend income from investments is accounted for when the right to receive the payment is established.

(vii) Foreign currency

• Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

• Subsequent Recognition

As at the reporting date, non-monetary items which are carried at historical cost

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

and denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were fair value measured.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period.

(viii) Financial instruments**1. Financial Assets - Investment in subsidiaries, associates and joint ventures:**

The Company records the investments in subsidiaries, associates and joint ventures at cost less impairment loss, if any.

1 (a) Financial Assets - Other than investment in subsidiaries, associates and joint ventures

Financial assets other than investment in subsidiaries, associates and joint ventures comprise of investments in equity and debt securities, trade receivables, cash and cash equivalents and other financial assets.

Initial recognition:

All financial assets are recognized initially at Fair value or in case of financial assets not recorded at FVTPL, transaction costs that are attributable to the Acquisition of the financial asset. Purchase or sales of financial asset within a time frame established by regulation or convention in the market place (regular way trades) are recognized on the trade date.

Subsequent measurement:**(i) Financial assets measured at amortized cost:**

Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost using effective interest rate (EIR) method. The EIR amortization is recognized as finance income in the statement of profit and loss.

The Company while applying above criteria has classified the following at amortized cost

- (a) Trade receivable
- (b) Other financial assets

(ii) Financial asset at FVTOCI

Financial assets that are held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial asset and the contractual terms of financial assets give rise on specified dates to cash flow that are solely payments of principal and interest on the principal amount outstanding are subsequently measured at FVTOCI. Fair value movements in financial assets at FVTOCI are recognized in other comprehensive income.

Equity instruments held for trading are classified as FTVPL. For other equity instruments the Company classifies the same as FVTOCI. The classification is made on initial recognition and is irrevocable. Fair value changes on equity instruments at FVTOCI excluding dividends, are recognized in other comprehensive income (OCI).

(iii) Financial asset at FVTPL

Financial asset are measured at fair value through Profit and loss if it does not meet the criteria for classification as measured at amortized cost or at fair value through other comprehensive income. All fair value changes are recognized in the Statement of Profit and loss.

1 (b) De-recognition on financial asset:

Financial assets are de-recognized when the contractual right to cash flows from the financial asset expires or the financial asset is transferred and the transfer qualifies for De-recognition. On De-recognition of a financial asset in its entirety, the difference between the carrying amount (measured at the date of De-recognition) and the consideration received (including any new asset obtained less any new liability Assumed) shall be recognized in the statement of profit and loss (except for equity instruments designated as FVTOCI).

1 (c) Impairment of financial asset:

Trade receivables under IND AS 109, investments in debt instruments that are

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

carried at amortized cost, investments in debt instruments that are carried at FVTOCI are tested for impairment based on the expected credit losses for their respective financial asset.

(i) Trade receivable:

An impairment analysis is performed at each reporting date. The expected credit losses over lifetime of the asset are estimated by adopting the simplified approach using a provision matrix which is based on historical loss rate reflecting future economic conditions. In this approach assets are grouped on the basis of similar credit characteristics such as industry, customer segment, past due status and other factors which are relevant to estimate the expected cash loss from these assets.

(ii) Other financial assets:

Other financial assets are tested for impairment and expected credit losses are measured at an amount equal to 12 month expected credit loss. If the credit risk on the financial asset has increased significantly since initial recognition, then the expected credit losses are measured at an amount equal to life-time expected credit loss.

2. *Financial liabilities:*

Initial recognition and measurement:

Financial liabilities are initially recognized at fair value plus any transaction cost that are attributable to the acquisition of financial liability except financial liabilities at fair value through profit and loss which are initially measured at fair value.

Subsequent measurement:

The financial liabilities are classified for subsequent measurement into following categories

- at amortized cost
- at fair value through profit and loss

De-recognition of financial liabilities

A financial liability is derecognized when and only when, it is extinguished i.e. when the obligation specified in the contract is discharged or cancelled or expires.

3. *Derivative financial instruments:*

Foreign exchange forward contracts and options are entered into by the Company

to mitigate the risk of changes in foreign exchange rates associated with certain payables, receivables and forecasted transactions denominated in certain foreign currencies. These derivative contracts that do not qualify for hedge accounting under IND AS 109, are initially recognized at fair value on the date the contract is entered into and subsequently measured through Profit or Loss. Gains or loss arising from changes in the fair value of the derivative contracts are recognized in profit or loss.

4. *Offsetting of financial assets and liabilities:*

Financial assets and liabilities are offset and the net amount is presented in Balance Sheet when, and only when, the Company has a legal right to offset the recognized amounts and intends either to settle on a net basis or to realize the assets and settle the liability simultaneously.

5. *Reclassification of financial assets:*

The Company determines classification of financial assets and liabilities on initial recognition. After initial recognition, no reclassification is made for financial assets which are categorized as equity instruments at FVTOCI and financial assets or liabilities that are specifically designated as FVTPL. For financial assets which are debt instruments, a reclassification is made only if there is a change in the business model for managing those assets. Changes to the business are expected to be infrequent.

(ix) **Property, plant and equipment**

Property plant and equipment is stated at cost less accumulated depreciation and where applicable accumulated impairment losses. Cost includes expenditure that is directly attributable to acquisition of the asset. The cost of self-constructed assets includes the cost of materials, direct labour and any other costs directly attributable to bringing the asset to a working condition for its intended use, and the costs of dismantling and removing the items and restoring the site on which they are located.

When parts of an item of Property, Plant and equipment have differential useful life, they are accounted for as separate items (major components) of property, plant and equipment.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

Gains and losses on disposal of an item of property plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of Property, Plant and equipment and are recognized net within other income/ other expenses in the statement of profit and loss account.

The cost of replacing part of an item of property, plant and equipment is recognized in the carrying amount of the item if it is probable that future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The carrying amount of the replaced part is de-recognized. The cost of day to day servicing is recognized in the statement of profit and loss account. All other repair and maintenance costs are recognized in profit or loss as incurred.

Depreciation on fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets has been re-assessed as under based on technical evaluation, taking into the account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties, maintenance support, etc.

- Plant and machinery – 5 to 20 years
- Electrical installations and equipment – 5 to 20 years
- Tools and Moulds - 3 to 10 years

The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. The residual values, useful lives and method of depreciation of property, plant and equipment is reviewed at each financial year end and adjusted prospectively, if appropriate.

(x) Intangible asset

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortization and accumulated impairment losses. Internally generated intangibles, excluding capitalized

development costs, are not capitalized and the related expenditure is reflected in profit or loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed as either finite or indefinite.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates. The amortization expense on intangible assets with finite lives is recognized in the statement of profit and loss.

Intangible assets with indefinite useful lives are not amortized, but are tested for impairment annually, either individually or at the cash-generating unit level. The assessment of indefinite life is reviewed annually to determine whether the indefinite life continues to be supportable. If not, the change in useful life from indefinite to finite is made on a prospective basis.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit or loss when the asset is de-recognized.

Software is amortized @20% on straight line basis.

(xi) Impairment of non-financial asset

The Company assesses at each reporting date, whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or cash-generating units (CGU) fair value less costs of disposal and its value in use. Recoverable amount is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets of the Company. When the

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

(xii) Employee benefits

a) Defined contribution plans

The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognized as an expense in the Statement of Profit and Loss. The contributions as specified under the law are paid to respective Regional Provident fund commissioner.

b) Defined benefit plans (Superannuation)

The eligible employees of the Company are entitled to receive benefits under the superannuation scheme, a defined contribution plan, in which the Company makes annual contributions of a specified sum, which is recognized as an expense in the Statement of Profit and Loss. The Contributions are by way of annual premium payable in respect of a superannuation policy issued by the Life Insurance Corporation of India, which confers benefits to retired/resigned employees based on policy norms. No other liabilities are incurred by the Company in this regard.

c) Defined benefit plans (Gratuity and compensated absences)

The Company makes annual contributions to gratuity funds administered by the trustees for amounts notified by the funds. The Company accounts for the net present value of its obligations for gratuity benefits, based on an independent actuarial valuation, determined on the basis of the projected unit credit method, carried out as at the Balance Sheet date.

Re-measurement, comprising actuarial gains and losses, the effect of the changes

to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected immediately in the Balance sheet with a charge or credit recognized in other comprehensive income in the period in which they occur. Re-measurement recognized in other comprehensive income is reflected immediately in retained earnings and will not be reclassified to Statement of Profit and Loss.

Past service cost is recognized in Statement of profit and loss in the period of a plan amendment. Net interest is calculated by applying the discount rate at the beginning of the period to the net defined benefit liability or asset. Defined benefit costs are categorized as follows:

- Service cost (including current service cost, past service cost as well as gains and losses on curtailments and settlements);
- Net interest expense or income; and
- Re-measurement.

The Company presents the first two components of defined benefit costs in statement profit and loss in the line item "Employee Benefits Expenses". Curtailment gains and losses are accounted for as past service costs.

The defined benefit obligation recognized in the balance sheet represents the actual deficit or surplus in the Company's defined benefit plans. Any surplus resulting from this calculation is limited to the present value of any economic benefits available in the form of reductions in future contributions to the plans.

d) Other employee benefits

Other benefits, comprising of Leave Travel Allowances, are determined on an undiscounted basis and recognized based on the likely entitlement thereof.

e) Termination benefits

A liability for a termination benefit is recognized at the earlier of when the company can no longer withdraw the offer of the termination benefit and when the company recognizes any related restructuring costs.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

(xiii) Provisions, Contingent Liabilities and Contingent Assets*General*

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

Warranty provisions

Provisions for warranty-related costs are recognized when the goods are sold to the customer. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually.

(xiv) Leases

On inception of a contract, the company assesses whether it contains a lease. A contract contains a lease when it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The right of use the asset and the obligation under the lease to make payments are recognised in the Company statement of financial position as a right-of-use asset and a lease liability.

Lease contracts may contain both lease and non-lease components. The company allocates payments in the contract to the lease and non-lease components based on their relative stand-alone prices and applies the lease accounting model only to lease components.

The right-of-use asset recognised at lease commencement includes the amount of lease liability recognised, initial direct costs incurred, and lease payments made at or before the commencement date, less any lease incentives received. Unless the Company is reasonably certain to obtain ownership of the leased assets or renewal of the leases at the end of the lease term, recognised right-of-use assets are depreciated to a residual value over the shorter of their estimated useful life or lease term. Right-of-use assets are

also adjusted for any re-measurement of lease liabilities.

The lease liability is initially measured at the present value of the lease payments to be made over the lease term. The lease payments include fixed payments (including 'in-substance fixed' payments) and variable lease payments that depend on an index or a rate, less any lease incentives receivable. 'In-substance fixed' payments are payments that may, in form, contain variability but that, in substance, are unavoidable. In calculating the present value of lease payments, the Company uses its incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable.

The lease term includes periods subject to extension options which the Company is reasonably certain to exercise and excludes the effect of early termination options where the Company is not reasonably certain that it will exercise the option. Minimum lease payments include the cost of a purchase option if the Company is reasonably certain it will purchase the underlying asset after the lease term.

After the commencement date, the amount of lease liabilities is increased to reflect the accretion of interest and reduced for lease payments made. In addition, the carrying amount of lease liabilities is re-measured if there is a modification, a change in the lease term, a change in the 'in-substance fixed' lease payments or as a result of a rent review or change in the relevant index or rate.

Variable lease payments that do not depend on an index or a rate are recognised as an expense in the period over which the event or condition that triggers the payment occurs. In respect of variable leases which guarantee a minimum amount of rent over the lease term, the guaranteed amount is considered to be an 'in-substance fixed' lease payment and included in the initial calculation of the lease liability. Payments which are 'in-substance fixed' are charged against the lease liability.

The Company has opted not to apply the lease accounting model to leases of low value assets or leases which have a term of less than 12 months.

(xv) Income Tax**a) Current Tax**

Current Tax assets and liabilities are measured at the amount expected to be recovered

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

from or paid to the taxation authorities on the taxable income of the year. The tax rates and tax laws used for computation of current tax includes those that are enacted or substantively enacted, at the reporting date in the countries where the company operates and generates taxable income.

Current Tax is recognized in the statement of profit and loss except to the extent it relates to an item recognized directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognized amounts and there is an intention to settle the asset and the liability on a net basis.

b) Deferred Tax

Deferred Tax is recognized on temporary differences between the carrying amounts of assets and a liability in the financial statements and the corresponding tax base used in the computation of taxable profit and is accounted for using the balance sheet method. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized. Such deferred tax assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected

to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the company intends to settle its current tax assets and liabilities on a net basis.

Current and deferred tax are recognized in the Statement of profit and loss, except when they relate to items credited or debited directly to equity, in which case the tax is also recognized directly in equity. Deferred tax relating to items recognized outside profit or loss is recognized outside profit or loss. Deferred tax items are recognized in correlation to the underlying transaction either in OCI or directly in equity.

(xvi) Earnings Per Share

Basic Earnings Per Share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(xvii) Inventories

Inventories are valued at the lower of cost (computed on a Weighted Average basis) or net realizable value. Cost includes the cost of purchase including duties and taxes (other than

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

those refundable), inward freight, and other expenditure directly attributable to the purchase. Trade discounts, rebates and benefits are deducted in determining the cost of purchase. Net realizable value represents the estimated selling price for the inventories less all estimated costs of completion and costs necessary to make the sale. Finished goods and Work in Progress include cost of conversion and other costs incurred in bringing the inventories to their present location and condition.

(xviii) Cash and Cash Equivalents (for the purpose of cash flow statement)

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of no cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year is classified by operating, investing and financing activities.

(xix) Recent Pronouncements

- a) New Accounting Standards/Amendments notified and adopted by the Company:

The following Accounting Standards have been modified on miscellaneous issues with effect from 18th June 2021. Such changes include clarification/guidance on:

- Ind AS 107 Financial Instruments: Disclosures – Additional disclosures relating to interest rate benchmark reform.
- Ind AS 109 Financial Instruments – Guidance provided on accounting for modifications of contracts resulting from changes in the basis for determining the contractual cash flows
- Ind AS 116 Leases – Extension of optional practical expedient in case of rent concessions as a direct consequence of COVID-19 pandemic till 30th June, 2022
- Ind AS 102 Share based payments – Alignment of liabilities definition with the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India.

- Ind AS 103 Business Combination – Alignment of assets and liabilities definition with the Framework for Preparation and Presentation of Financial Statements with Indian Accounting Standards
- Amendment of definition of term 'recoverable amount' in Ind AS 105, Ind AS 16 and Ind AS 36 from 'fair value less cost to sell' to 'fair value less cost of disposal'.

None of these amendments has any material impact on the financial statements for the current year.

- b) New accounting standards/amendments notified but not yet effective

The following Accounting Standards have been modified on miscellaneous issues with effect from 1st April 2022. Such changes include clarification/guidance on:

- Ind AS 103 Business Combination – Identified assets acquired and liabilities assumed (including contingent assets and contingent liabilities) must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Ind AS (Conceptual Framework) issued by the Institute of Chartered Accountants of India (ICAI).
- Ind AS 109 Financial Instruments – Guidance provided on identifying substantial modification of the terms of an existing financial liability basis difference in discounted present value of the cash flows between old and new terms (the '10 percent' test).
- Ind AS 16 Property, Plant and Equipment (PPE) – Clarification provided on accounting for excess of net sale proceeds of items produced over the cost of testing as deduction from the directly attributable costs considered as part of cost of an item of PPE.
- Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets – Illustrative guidance provided on the cost of fulfilling a contract - incremental costs of fulfilling the contract and allocation of other costs that relate directly to fulfilling contracts, and clarification provided on recognising impairment loss that has occurred on assets used in fulfilling the contract before a separate provision for onerous contract established.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

None of these amendments is expected to have any material impact on the financial statements of the Company.

2.1 Critical Judgments in applying accounting policies & Key sources of estimation uncertainty:

The preparation of the company's financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying number of assets or liabilities affected in future periods.

Critical Judgements in applying Accounting Policies:

- (i) **Lease classification:** The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the

lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics

Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

- (i) **Useful life of Property, Plant & Equipment (PPE)**
The Company reviews the estimated useful lives of PPE at the end of each reporting period.
- (ii) **Defined benefit plans, Defined Benefit Obligations (DBO)** Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

b) Fair Value Hierarchy

An analysis of financial instruments (as indicated in the table above) that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, are as described below:

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of investment in quoted equity shares, and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

- (i) Borrowings, loans, short-term financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.
- (ii) Management uses its best judgement in estimating the fair value of its financial instruments. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

39 Financial Risk Management Objectives and Policies

The Company is exposed primarily to fluctuations in credit, liquidity and interest rate risks and foreign currency exchange rates, which may adversely impact the fair value of its financial instruments. The company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the company.

Market Risk

Market Risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022 (₹ in Crores)

exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk.

Price Risk

The Company's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The investment in listed and unlisted equity securities are not significant.

Interest Rate Risk:

The company's investments are primarily in short term and long term investment which do not expose it to significant interest rate risk

Foreign Currency Risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities. Considering the countries and economic environment in which the company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollars against the functional currency of the company.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks.

The Company imports raw materials and finished goods from outside India as well as makes export sales to countries outside the territories in which they operate from. The Company is therefore exposed to foreign currency risk principally arising out of foreign currency movement against the Indian Currency. Foreign currency exchange risks are managed by entering into forward contracts against foreign currency vendor payables.

The Company's outstanding foreign currency exposure is as follows:

Particulars	Liabilities as at		Assets as at	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
USD	-	0.06	0.14	0.13
Pounds	-	-	-	-
EURO	0.09	-	0.03	0.02

Foreign Currency Sensitivity Analysis

The Company is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables.

As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between USD-INR currency pair and EURO-INR currency pair sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below:

Sensitivity at year end (INR)	March 31, 2022	March 31, 2021
Receivables:		
Weakening of INR by 5%	0.54	0.47
Strengthening of INR by 5%	(0.54)	(0.47)
Payables		
Weakening of INR by 5%	(0.38)	(0.22)
Strengthening of INR by 5%	0.38	0.22

(a) Credit Risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks. Financial instruments that are subject

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022 (₹ in Crores)

to concentrations of credit risk principally consist of investments classified as loans and receivables, trade receivables, loans and advances, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Company results in material concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 1016.51 Crores and ₹ 811.09 Crores as of March 31, 2022 and March 31, 2021 respectively, being the total of the carrying amount of balances with banks, bank deposits, and Trade receivables, other financial assets and investments excluding equity and preference investments. The Company's exposure to customers is diversified and there are no customers who contributes to more than 10% of outstanding accounts receivable as of March 31, 2022 (no customers as of March 31, 2021).

Financial Assets that are neither past due nor impaired

Cash and cash equivalents, financial assets carried at fair value and interest-bearing deposits with corporate are neither past due nor impaired. Cash and cash equivalents with banks and interest-bearing deposits placed with corporates, which have high credit rating assigned by international and domestic credit-rating agencies. Financial assets carried at fair value substantially include investment in liquid mutual fund units. With respect to trade receivables and other financial assets that are past due but not impaired, there were no indications as of March 31, 2022, that defaults in payment obligations will occur except as described in note 10 on allowances for impairment of trade receivables.

The Company does not hold any collateral for trade receivables and other financial assets. Trade receivables and other financial assets that are neither past due nor impaired relate to new and existing customers and counter parties with no significant defaults in past.

Trade Receivables

Customer credit risk is managed by each business unit subject to the company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed above under Credit risk. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets.

At March 31, 2022, the Company had 3 Customers (March 31, 2021: 3 customers) that owed the Company more than 5% of the Total receivables, which accounted for approximately 22% (March 31, 2021: 21.74%) of all the receivables outstanding.

Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the company's policy. The cash surpluses of the company are short term in nature and are invested in Liquid Debt Mutual funds and bonds. Hence, the assessed credit risk is low.

(b) Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit, which carry no or low market risk.

The Company monitors its risk of a shortage of funds on a regular basis.

The following table shows a maturity analysis of the anticipated cash flows including interest obligations for the Company's financial liabilities on an undiscounted basis, which therefore differ from both carrying value and fair value.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF TTK PRESTIGE LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of TTK Prestige Limited (hereinafter referred to as the 'Holding Company') and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), and its associate which comprise the consolidated Balance Sheet as at March 31, 2022, the consolidated statement of Profit and Loss (including Other Comprehensive Income), the consolidated statement of changes in equity and the consolidated cash flows Statement for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on financial statements and on the other financial information of the subsidiaries and its associates, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at March 31, 2022, and their consolidated profit, consolidated total comprehensive income, their consolidated statement of changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by ICAI, and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Companies Act, 2013. We believe that the audit evidence we have obtained, and evidence obtained by other auditors in terms of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Key Audit Matter

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Sl.No.	Key Audit Matter	How our audit addressed the Key Audit Matter
1.	Revenue Recognition The Group manufactures and trades in a number of products related to kitchen and home appliances. Revenue is measured net of discounts, incentives and rebates earned by customers on the Group's sales. Given the variety and large number of sales transactions and estimates involved in discounts etc. revenue recognition is considered a Key Audit Matter. Disclosure Note 45 and the accounting policies provide additional information on how the Group accounts for its revenue.	Our audit included but was not limited to the following procedures: Our procedures included, among others, obtaining an understanding of the processes and relevant controls relating to the accounting for customer contracts. Accounting Policies: Assessing the appropriateness of the Group's revenue recognition accounting policies, including those relating to discounts, incentives and rebates under Ind AS 115.

Consolidated Audit Report (Contd...)

		Control Testing: Testing the selected key controls for the revenue recognized throughout the year and calculation of discounts, incentives and rebates, including reviewing the results of testing by management, for their operating effectiveness and performed procedures to gain sufficient audit evidence on the accuracy of the accounting for customer contracts and related financial statement assertions.
		Evaluating the IT systems relevant for revenue recognition and the functioning of the related general IT controls. Tests of details: - Reviewed sales transactions recorded either side of year end as well as credit notes issued after the year end date to determine whether revenue was recognized in the correct period. - Performed substantive procedures to understand and validate the basis of provision for schemes and discounts with underlying workings and evidence. - Compared the current year estimates of discounts, incentives and rebates to the prior year and, where relevant, completing further inquiries and testing. - Obtained the supporting documentation on sample basis for discounts and incentives given under schemes to agree to the amounts recorded as discounts and incentives during the period. Disclosures: Tracing disclosure information to accounting records and other supporting documentation.

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Directors report and business responsibility report but does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of the Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated changes in equity and consolidated cash flows of the Group including its Associate in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group

Consolidated Audit Report (Contd...)

and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process of the Group and of its associates.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India have adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the

Consolidated Audit Report (Contd...)

consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them.

We believe that the audit evidence obtained by us along with the consideration of audit reports of the other auditors referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of 2 subsidiaries (TTK British Holdings Limited and Horwood Homewares Limited) whose financial statements reflect total assets of Rs.128.50 Cr and net assets of Rs. 32.85 Cr as at March 31, 2022, total revenues of Rs.190.37 Cr and net cash outflows amounting to Rs.20.14 Cr for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of Rs. 0.59 Cr for the year ended March 31, 2022, as considered in the consolidated financial statements, in respect of 1 associate whose financial statements have not been audited by us. These financial statements / financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and its associates, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries and associates is based solely on the reports of the other auditors.
- (b) These subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in United Kingdom (UK). The Holding Company's management has converted the financial statements of subsidiaries from accounting principles generally accepted in UK to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiaries located outside India is based the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, based on our audit and on the consideration of report of other auditors on separate financial statements and other financial information of subsidiaries and its associate, as noted in the 'Other matters' paragraph, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

Consolidated Audit Report (Contd...)

- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to adequacy of the internal financial controls over financial statements of the Holding Company and its associate company incorporated in India and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on consolidated financial statements as also the other financial information of the subsidiaries and associate, as noted in the 'Other Matters' paragraph:
 - i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group and its associate – Refer Note 36b to the consolidated financial statements.
 - ii. The Group and its associate did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its associate company incorporated in India.
 - iv. (a) The management of Holding Company, and associate company incorporated in India has represented that, to the best of their knowledge and belief, as disclosed in Note 49 to the consolidated financial statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company and associate company incorporated in India to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company and associate company incorporated in India ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(b) The management of the Holding Company and associate company incorporated in India has represented, that, to the best of it's knowledge and belief, as disclosed in Note 49 to the consolidated financial statements, no funds (which are material either individually or in the aggregate) have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company, and associate company incorporated in India shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries
(c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
 - v. As stated in note 48 to the consolidated financial statements
(a) The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with Section 123 of the Act, as applicable.

Consolidated Audit Report (Contd...)

- (b) The interim dividend declared and paid by the Company during the year and until the date of this report is in compliance with Section 123 of the Act.
- (c) The Board of Directors of the Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act, as applicable.
- h) As required by Section 197(16) of the Act, we report that the remuneration paid by the Holding Company and associate company incorporated in India to its directors is in accordance with the prescribed provisions and the remuneration paid to every director is within the limit specified under Section 197.

ANNEXURE B

Referred to in paragraph 2(f) on 'Report on Other Legal and Regulatory Requirements' of our report of even date on the consolidated financial statements of TTK Prestige Limited

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of TTK Prestige Limited (hereinafter referred to as "the Holding Company") as of and for the year ended March 31, 2022, we have audited the internal financial controls with reference to financial statements of the Holding Company and other auditors have audited its associate company, which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding company and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("the ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to financial statements based on our audit of the Company and its associate company, which is company incorporated in India. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to financial statements their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to financial statements of the Holding Company and its associate company which is company incorporated in India.

Meaning of Internal Financial Controls with reference to financial statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on consideration of reporting of the other auditors as mentioned in the Other Matter paragraph below, the Holding Company and its associate company which is company incorporated in India, have, in all material respects, adequate internal financial controls system with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2022, based on the internal financial controls with reference to financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements insofar as it relates to associate company, which is company incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

1. Corporate information

TTK Prestige Limited ('TTK' or 'the Company') is a public limited company domiciled and incorporated in India having its registered office at Plot No.38, SIPCOT Industrial Complex, Hosur, Tamilnadu-635126. The Company's shares are listed and traded on Stock Exchanges in India. The Company is primarily engaged in manufacture of Kitchen and Home Appliances. TTK Prestige Limited together with its subsidiaries is hereinafter referred to as "Group", the term "company" wherever used in the consolidated financial statements, refer to TTK Prestige Limited.

2. Significant accounting policies

(i) Statement of compliance

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Sec 133 of the Companies Act 2013 and other relevant provisions of the Act as amended thereto.

These financial statements were authorized for issue by the Board of Directors on May 28, 2022.

These financial statements have been prepared on accrual and going concern basis.

(ii) Basis of preparation and presentation

These financial statements have been prepared on a historical cost basis, except for certain financial instruments that are measured at fair value at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for the goods and services.

As the operating cycle cannot be identified easily in normal course, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

(iii) Principles of Consolidation and Equity Accounting:

Subsidiaries are all entities (including structured entities) over which the group has control. The group controls an entity when the group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiary is fully consolidated from the date on which control is transferred to the group.

They are deconsolidated from the date the control ceases. The acquisition method of accounting is used to account for business combinations by the group. The group combines the financial statements of the parent and its subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Intergroup transactions, balances and unrealized gains on transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of transferred asset.

Accounting policies of subsidiary has been changed where necessary to ensure consistency with the policies adopted by the group. Non-Controlling interests, if any, in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

Subsidiaries:

Name of the Company	Percentage of Holding	Principal Place of Business
TTK British Holdings Limited	100%	United Kingdom
Horwood Homewares Limited	100%	United Kingdom
Ultrafresh Modular Solutions Limited	40.81%	India

(iv) Other Significant Accounting Policies:

These are set out under "Significant Accounting Policies" as given in the Group's Standalone financial statements except for

Foreign Currency Translations:

Items included in the financial statements of each of the group's entities are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The Consolidated financial statements are presented in Indian Rupee (INR), which is the parent's functional and presentation currency.

The results and financial position of each of the group entities whose functional currency is different from the parent's functional currency is translated using the following procedures:

- Assets and liabilities for each balance sheet presented translated at the closing rate at the date of that balance sheet.
- Income and expenses presented in statement of profit and loss translated at monthly average exchange rate and

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

- (c) All resulting exchange differences recognized in other comprehensive income.

Goodwill:

Goodwill on acquisition of Subsidiaries is included in Intangible assets. Goodwill is not amortized but it is tested for impairment annually or more frequently if events or changes in circumstances indicate that it might be impaired, and is carried at cost less accumulated impairment losses. Gains and losses on the disposal of an entity include the carrying amount of goodwill relating to the entity sold.

Goodwill is allocated to cash-generating units for the purpose of impairment testing. The allocation is made to those cash-generating units or groups of cash-generating units that are expected to benefit from the business combination in which the goodwill arose. The units or group of units are identified at the lowest levels at which goodwill is monitored for internal management purposes, which in our case are the operating segments.

Deferred Tax:

Deferred income tax liabilities / assets are recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries where the timing of reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Software:

Amortization is provided at 25% on straight line basis in respect of one subsidiary (Horwood Homewares Limited)

Equity method of accounting (investment in Associate)

An interest in an associate is accounted for using the equity method from the date the investee becomes an associate and are recognised initially at cost. The consolidated financial statements include the Company's share of profits or losses, other comprehensive income and equity movements of equity accounted investments, from the date that significant influence until the date that significant influence ceases. When the Company's share of losses exceeds its interest in an equity accounted investment, the carrying amount of that interest (including any long-term interests in the nature of net investments) is reduced to nil and the recognition of further losses is discontinued except to the extent that the Company has incurred constructive or legal

obligations or has made payments on behalf of the investee. When the Company transacts with an associate, unrealised profits and losses are eliminated to the extent of the Company's interest in its associate. Dividends are recognised when the right to receive payment is established.

(v) Recent pronouncements

- a) New Accounting Standards/Amendments notified and adopted by the Company:

The following Accounting Standards have been modified on miscellaneous issues with effect from 18th June 2021. Such changes include clarification/guidance on:

- Ind AS 107 Financial Instruments: Disclosures – Additional disclosures relating to interest rate benchmark reform.
- Ind AS 109 Financial Instruments – Guidance provided on accounting for modifications of contracts resulting from changes in the basis for determining the contractual cash flows
- Ind AS 116 Leases – Extension of optional practical expedient in case of rent concessions as a direct consequence of COVID-19 pandemic till 30th June, 2022
- Ind AS 102 Share based payments – Alignment of liabilities definition with the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India.
- Ind AS 103 Business Combination – Alignment of assets and liabilities definition with the Framework for Preparation and Presentation of Financial Statements with Indian Accounting Standards
- Amendment of definition of term 'recoverable amount' in Ind AS 105, Ind AS 16 and Ind AS 36 from 'fair value less cost to sell' to 'fair value less cost of disposal'.

None of these amendments has any material impact on the financial statements for the current year.

- b) New accounting standards/amendments notified but not yet effective

The following Accounting Standards have been modified on miscellaneous issues with effect from 1st April 2022. Such changes include clarification/guidance on:

- Ind AS 103 Business Combination – Identified assets acquired and liabilities

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022

assumed (including contingent assets and contingent liabilities) must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Ind AS (Conceptual Framework) issued by the Institute of Chartered Accountants of India (ICAI).

- Ind AS 109 Financial Instruments – Guidance provided on identifying substantial modification of the terms of an existing financial liability basis difference in discounted present value of the cash flows between old and new terms (the '10 percent' test).
- Ind AS 16 Property, Plant and Equipment (PPE)– Clarification provided on accounting for excess of net sale proceeds of items produced over the cost of testing as deduction from the directly attributable costs considered as part of cost of an item of PPE.
- Ind AS 37 Provisions, Contingent Liabilities and Contingent Assets – Illustrative guidance provided on the cost of fulfilling a contract - incremental costs of fulfilling the contract and allocation of other costs that relate directly to fulfilling contracts, and clarification provided on recognising impairment loss that has occurred on assets used in fulfilling the contract before a separate provision for onerous contract established.

None of these amendments is expected to have any material impact on the financial statements of the Group.

2.1 Critical judgements in applying accounting policies & Key sources of estimation uncertainty:

The preparation of the Group's Financial statements requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accounting disclosures, and the disclosure of contingent liabilities. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying number of assets or liabilities affected in future periods.

Critical Judgements in applying accounting policies:

Leases: The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant

judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate.

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The Group revises the lease term if there is a change in the non -cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics

Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

- (i) Useful life of Property, Plant & Equipment (PPE) : The Group reviews the estimated useful lives of PPE at the end of each reporting period.
- (ii) Defined benefit plans, Defined benefit obligations (DBO) : Management's estimate of the DBO is based on a number of critical underlying assumptions such as standard rates of inflation, medical cost trends, mortality, discount rate and anticipation of future salary increases. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

(b) Fair Value Hierarchy

An analysis of financial instruments (as indicated in the table above) that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, are as described below:

Quoted prices in an active market (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities. This category consists of investment in quoted equity shares, and mutual fund investments.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022 (₹ in Crores)

and liabilities measured using inputs that are not based on observable market data (unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumptions that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

- (i) Borrowings, loans, short-term financial assets and liabilities are stated at carrying value which is approximately equal to their fair value.
- (ii) Management uses its best judgement in estimating the fair value of its financial instruments. As such, fair value of financial instruments subsequent to the reporting dates may be different from the amounts reported at each reporting date.

(c) Interest Rate Risk Management

The Group's main interest rate risk arises from long term borrowings with variable rates. The borrowings of the group amounting to ₹ 39.82 Crores as at March 31, 2022 (PY ₹ 40.38 Crores) will not have any material impact due to the changes in market interest rates.

41. Financial Risk Management Objectives and Policies

The Company is exposed primarily to fluctuations in credit, liquidity and interest rate risks and foreign currency exchange rates, which may adversely impact the fair value of its financial instruments. The company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the company.

"Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Company's exposure to market risk is primarily on account of foreign currency exchange rate risk."

"Price Risk

The Company's listed and non-listed equity securities are susceptible to market price risk arising from uncertainties about future values of the investment securities. The investment in listed and unlisted equity securities are not significant. "

"Interest Rate Risk:

The group's investments are primarily in short term and long term investment which do not expose it to significant interest rate risk. The Groups's main interest rate risk also arises from long term borrowing with variable interest rate. The borrowings of group amounting to ₹ 39.82 Crores as at March 31, 2022 (PY ₹ 40.38 Crores) will not have material impact due to changes in market interest rates. If Interest rates were to increase by 100 bps as on March 31 2022 additional net annual interest expenses would amount to approximately 0.40 Crore."

"Foreign Currency Risk

The fluctuation in foreign currency exchange rates may have potential impact on the statement of profit or loss and other comprehensive income and equity, where any transaction references more than one currency or where assets / liabilities are denominated in a currency other than the functional currency of the respective entities. Considering the countries and economic environment in which the company operates, its operations are subject to risks arising from fluctuations in exchange rates in those countries. The risks primarily relate to fluctuations in US Dollars against the functional currency of the company.

The Company evaluates the impact of foreign exchange rate fluctuations by assessing its exposure to exchange rate risks

The Company imports raw materials and finished goods from outside India as well as makes export sales to countries outside the territories in which they operate from. The Company is therefore exposed to foreign currency risk principally arising out of foreign currency movement against the Indian Currency. Foreign currency exchange risks are managed by entering into forward contracts against foreign currency vendor payables."

The Company's outstanding foreign currency exposure is as follows:

	Liabilities as at		Assets as at	
	March 31, 2022	March 31, 2021	March 31, 2022	March 31, 2021
USD	0.00	0.36	0.14	0.13
Pounds	0.00	0.00	0.00	0.00
EURO	0.09	0.00	0.03	0.02

Foreign Currency Sensitivity Analysis

"The Company is principally exposed to foreign currency risk against USD. Sensitivity of profit or loss arises mainly from USD denominated receivables and payables.

As per management's assessment of reasonable possible changes in the exchange rate of +/- 5% between USD-INR currency pair and EURO-INR currency pair sensitivity of profit or loss only on outstanding foreign currency denominated monetary items at the period end is presented below:"

Sensitivity at year end (INR)	March 31, 2022	March 31, 2021
Receivables:		
Weakening of INR by 5%	0.54	0.47
Strengthening of INR by 5%	(0.54)	(0.47)
Payables		
Weakening of INR by 5%	(0.38)	(1.10)
Strengthening of INR by 5%	0.38	1.10

(a) Credit Risk

"Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses of both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks.

Financial instruments that are subject to concentrations of credit risk principally consist of investments classified as loans and receivables, trade receivables, loans and advances, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Company results in material concentration of credit risk"

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 1091.14 Crores and ₹ 893.83 Crores as of March 31, 2022 and March 31, 2021 respectively, being the total of the carrying amount of balances with banks, bank deposits, and Trade receivables, other financial assets and investments excluding equity and preference investments. The Company's exposure to customers is diversified and there are no customers who contributes to more than 10% of outstanding accounts receivable as of March 31, 2022 (no customers as of March 31, 2021).

"Financial assets that are neither past due nor impaired

Cash and cash equivalents, financial assets carried at fair value and interest-bearing deposits with corporate are neither past due nor impaired. Cash and cash equivalents with banks and interest-bearing deposits placed with corporates, which have high credit rating assigned by international and domestic credit-rating agencies. Financial assets carried at fair value substantially include investment in liquid mutual fund units. With respect to trade receivables and other financial assets that are past due but not impaired, there were no indications as of March 31, 2022, that defaults in payment obligations will occur except as described in note 11 on allowances for impairment of trade receivables.

The Company does not hold any collateral for trade receivables and other financial assets. Trade receivables and other financial assets that are neither past due nor impaired relate to new and existing customers and counter parties with no significant defaults in past."

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2022 (₹ in Crores)

"Trade Receivables

Customer credit risk is managed by each business unit subject to the company's established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits are defined in accordance with this assessment. Outstanding customer receivables are regularly monitored and any shipments to major customers are generally covered by letters of credit or other forms of credit insurance.

An impairment analysis is performed at each reporting date on an individual basis for major clients. In addition, a large number of minor receivables are grouped into homogenous groups and assessed for impairment collectively. The calculation is based on historical data. The maximum exposure to credit risk at the reporting date is the carrying value of each class of financial assets disclosed above under Credit risk. The Company does not hold collateral as security. The Company evaluates the concentration of risk with respect to trade receivables as low, as its customers are located in several jurisdictions and operate in largely independent markets."

At March 31, 2022, the Company had 2 Customers (March 31, 2021: 3 customers) that owed the Company more than 5% of the Total receivables, which accounted for approximately 14.53% (March 31, 2021: 20.36%) of all the receivables outstanding.

"Financial Instruments and Cash Deposits

Credit risk from balances with banks and financial institutions is managed by the Company's treasury department in accordance with the company's policy. The cash surpluses of the company are short term in nature and are invested in Liquid Debt Mutual funds and bonds. Hence, the assessed credit risk is low."

Liquidity Risk

Liquidity risk refers to the risk that the Company cannot meet its financial obligations. The objective of liquidity risk management is to maintain sufficient liquidity and ensure that funds are available for use as per requirements. The Company invests its surplus funds in bank fixed deposit, which carry no or low market risk.

The Company monitors its risk of a shortage of funds on a regular basis.

The following table shows a maturity analysis of the anticipated cash flows including interest obligations for the Company's financial liabilities on an undiscounted basis, which therefore differ from both carrying value and fair value.
